ASSOCIATIONS/ORGANIZATIONS

Art Table: <http://www.arttable.org> ArtTable is dedicated to advancing women's leadership in the visual arts. Their mission includes educating and informing members and the general public about significant developments and issues in the visual arts through public panels, conferences and mentorship programs for women entering the field and professional development seminars for leadership at all career stages.

AIGA: <http://www.aiga.org/join> AIGA advances design as a professional craft, strategic advantage and vital cultural force. As the largest community of design advocates, they bring together practitioners, enthusiasts and patrons to amplify the voice of design and create the vision for a collective future.

Association of Medical Illustrators: <http://www.ami.org> AMI uses visual media to advance life sciences, medicine, and healthcare through a worldwide network of specialized interdisciplinary professionals. They strive to be key partners in the process of scientific discovery, knowledge transfer, and innovation.

Brooklyn Artists Council: <http://www.brooklynartscouncil.org> BAC provides grants, affordable arts events, trainings for artists and arts professionals, and incubates new projects to promote artists and cultural groups in Brooklyn.

Corporate Design Foundation <http://www.cdf.org/> Corporate Design Foundation is a non-profit education and research organization whose mission is to improve the quality of life and the effectiveness of organizations through design.

Graphic Artists Guild: <https://www.graphicartistsguild.org/> The Guild is committed to promoting and protecting the social, economic and professional interests of its members, and improving conditions for all graphic artists (including, but not limited to: animators, cartoonists, designers, illustrators, and digital artists). The Guild embraces graphic artists at all skill levels.

Type Directors Club: <http://www.tdc.org/> The Type Directors Club is the leading international organization whose purpose is to support excellence in typography, both in print and on screen.
