Economics A.A.

Economics is the social science that studies the production, distribution, and consumption of goods and services. Economics focuses on the behavior and interactions of economic agents and how economies work. The Department of Social Sciences, Human Services, and Criminal Justice offers a major in Economics for its students leading to an Associate in Arts degree. The program is articulated with several senior CUNY colleges where students can transfer directly as juniors into their BA/BS or BA/BS + Masters programs.
