PART ONE: INTRODUCTION AND BACKGROUND

This report is an annual update of the Affirmative Action Plan (AAP) for federal contractors. This unit, the Borough of Manhattan Community College (BMCC or the College), is one of the City University of New York's (CUNY) 28 Affirmative Action establishments. The US Department of Labor's Office of Federal Contract Compliance Programs (OFCCP) oversees Affirmative Action Plan requirements for federal contractors. Some aspects of this plan also reflect state and local regulations, guidelines for public entities, and resolutions of the CUNY Board of Trustees. In particular, this plan reflects requirements for implementing:

- Presidential Executive Order 11246, for women and federally protected racial/ethnic groups
- Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended, for protected Veterans
- Section 503 of the Rehabilitation Act of 1973, as amended, for Individuals with Disabilities.

The plan reflects the following timeframes:

<u>Employee Census Date:</u>	June 1, 2020
<u>Reporting Year:</u>	June 1, 2019 – May 31, 2020
<u>Program Year:</u>	September 1, 2020 – August 31, 2021

Given this year's disruptions due to the 2020 COVID-19 outbreak, BMCC and CUNY experienced challenges in implementing last year's plan and in completing this year's plan, as discussed later in this report.

This Plan is available for public review as described on the title page. The plan is also posted on the BMCC website.

BMCC and CUNY produce a separate Affirmative Action Plan for Italian Americans. CUNY's Chancellor designated Italian Americans as a protected group in 1976.

The web links throughout the Plan were confirmed as of June 2020 and are subject to change.

COLLEGE OVERVIEW

BMCC's Mission

BMCC is a diverse teaching and learning community committed to advancing equity and the intellectual and personal growth of students. Working to strengthen a culture of care inside and outside the classroom, we share a passion for learning with students from around the world. We strive to increase degree completion, successful transfer, career achievement, and service and leadership within our community, New York City, and beyond.

BMCC's Vision Statement

BMCC will be nationally recognized for improving student learning and success, excellence in research and knowledge creation, and for advancing socioeconomic mobility through the transformative power of education. BMCC faculty and staff are committed to strengthening our culture of care and take responsibility for creating the conditions under which all students can learn and all members of the BMCC community can thrive. Teaching and learning at BMCC, both inside and outside the classroom, is culturally responsive and sustaining, deeply engaging, and celebrates the rich diversity of experience and knowledge that the entire community brings to the College. Our students, faculty, staff, and alumni share great pride for BMCC, and for our role in creating a better, more equitable New York City.

BMCC's Values

Belonging: Creating an environment in which all members feel welcome, that they are valued, and that they can succeed.

Community: Celebrating the uniqueness of individuals and groups; encouraging connection and participation; taking responsibility and caring for each other.

Equity: Working as an engine of upward social mobility to reduce barriers and improve academic, career and personal success for all, particularly for individuals and groups with less advantage.

Teaching and Learning: Creating exceptional teaching and learning environments inside and outside the classroom; valuing the experience and knowledge students bring to the classroom and engaging them in the construction of knowledge.

Transformation: Promoting intellectual, socioeconomic, and personal growth of students and communities; empowering students to improve their lives and the lives of their families; advancing justice through education.

Location, Degrees, Accreditation

BMCC is a comprehensive two - year public community college. BMCC is a unit of The City University of New York (“CUNY”) serving the diverse needs of New York City students and the New York City community. The College continues its commitment to open enrollment, to the fulfillment of its educational mission, to the New York City community, and to providing quality post-secondary education to the graduates of New York City's high schools. BMCC's academic calendar consists of a 15-week fall semester, a 15-week spring semester, and two summer sessions.

The College awards three degrees: Associate in Arts (A.A.), Associate in Science (A.S.) and the Associate in Applied Science (A.A.S.). It is an accredited member of the Middle States Association of Colleges and Schools and has also been accredited by the Board of Regents of the University of the State of New York. Furthermore, the College's health programs are accredited by the National League for Nursing Accrediting Commission, the American Health Information Management Association, the Committee on Accreditation for Respiratory Care, the Committee on Accreditation of Education Programs for the Emergency Medical Services Profession, and the Commission on Accreditation of Allied Health Educational Programs.

Located in the heart of downtown New York City, BMCC students actively participate in the artistic communities of Tribeca and SoHo, the dynamic downtown financial district, and the center of New York City government at City Hall.

The main campus of the college is situated on 4.28 acres of land in a building that was designed with the Hudson River harbor in mind — shaped like a ship with its helm pointed to sea. It spans four blocks from Chambers Street to North Moore Street.

History

BMCC was founded in 1963 and opened in 1964 as a small, primarily business-oriented community college offering programs aimed at the business community. Originally located in two floors of a commercial building in midtown Manhattan, the college focused on preparing students for business careers and on providing a liberal arts education to students who wished to transfer to four-year colleges. The college also created on-site training and management development courses for mid- level employees. BMCC has continuously modified its in-house and on-site programs.

During the next two decades, the mission of the college changed in response to the advent of open admissions at CUNY in 1970, and later in response to the emergence of new technologies and changes in business and industry. By 1974, enrollment had increased to over 6,000 day and evening students.

A new building spanning four city blocks, from Chambers Street to North Moore Street, was constructed in lower Manhattan to serve as the school's main campus. It opened in January of

1983. BMCC is the largest college in CUNY system, with approximately 22,719¹ students, and is the first community college in Manhattan.

Fiterman Hall was donated to the College in September 1993 as the largest single donation ever made to a community college. However, the building was severely damaged in the aftermath of the World Trade Center tragedy. After rebuilding, BMCC launched the 2012 -2013 academic year with the opening of the rebuilt Miles and Shirley Fiterman Hall.

¹ The number of students is as of spring 2020.

ORGANIZATION CHART

[Appendix A](#) displays an organization chart.

RELEVANT POLICIES

As a unit of CUNY, BMCC adheres to federal, state, and city laws and regulations on non-discrimination and affirmative action, including: Executive Order 11246, as amended, Titles VI and VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Sections 503 and 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, Section 402 of the Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended, the Equal Pay Act of 1963, the Age Discrimination in Employment Act of 1967, as amended, the Age Discrimination Act of 1975, New York State Human Rights Law and New York City Human Rights Law.

Protected groups as delineated in Executive Order 11246 are as follows: American Indian or Alaska Native, Asian, Black or African American, Hispanic or Latino, Native Hawaiian or Other Pacific Islander, Two or More Races, and Women. Additionally, the Chancellor of CUNY designated Italian Americans as a protected group in 1976. CUNY prepares a separate Italian American Affirmative Action Plan.

CUNY posts its policies on non-discrimination, sexual misconduct, and affirmative action on its website:

Equal Opportunity and Non-Discrimination Policy

The City University of New York ("University" or "CUNY"), located in a historically diverse municipality, is committed to a policy of equal employment and equal access in its educational programs and activities. Diversity, inclusion, and an environment free from discrimination are central to the mission of The University.

It is the policy of The University—applicable to all colleges and units—to recruit, employ, retain, promote, and provide benefits to employees (including paid and unpaid interns) and to admit and provide services for students without regard to race, color, creed, national origin, ethnicity, ancestry, religion, age, sex (including pregnancy, childbirth and related conditions), sexual orientation, gender, gender identity, marital status, partnership status, disability, genetic information, alienage, citizenship, military or veteran status, status as a victim of domestic violence/stalking/sex offenses, unemployment status, or any other legally prohibited basis in accordance with federal, state and city laws.

It is also The University's policy to provide reasonable accommodations to

applicants, employees and other persons on the basis of disability, religious practices, pregnancy or childbirth-related medical conditions, or status as victims of domestic violence/stalking/sex offenses.

This Policy also prohibits retaliation for reporting or opposing discrimination, or cooperating with an investigation of a discrimination complaint.

Affirmative Action Policy

CUNY's original Affirmative Action Policy of May 28, 1985 is part of its Manual of General Policy.

ARTICLE V FACULTY, STAFF AND ADMINISTRATION

Policy 5.04 - Affirmative Action:

RESOLVED, that the Board of Trustees of The City University of New York reaffirms its commitment to affirmative action and directs the Chancellery and the colleges to reemphasize the taking of the positive steps that will lead to recruiting, hiring, retaining, tenuring, and promoting increased numbers of qualified minorities and women. (Board of Trustees Minutes, 1985-05-28, Section 6-C)

Sexual Misconduct Policy

CUNY's Policy on Sexual Misconduct² outlines procedures applicable to students and employees for addressing complaints.

CUNY students, employees and visitors deserve the opportunity to live, learn and work free from Sexual Misconduct. Accordingly, CUNY is committed to:

- 1. Defining conduct that constitutes Sexual Misconduct;*
- 2. Providing clear guidelines for students, employees and visitors on how to report incidents of Sexual Misconduct;*
- 3. Providing ongoing assistance and support to all parties after allegations of Sexual Misconduct have been made;*
- 4. Promptly and respectfully responding to and investigating allegations of Sexual Misconduct, pursuing disciplinary action when appropriate and taking action to investigate and address any allegations of retaliation;*
- 5. Providing awareness and prevention information on Sexual Misconduct, including widely disseminating this Policy, as well as a "Students' Bill of Rights" and implementing training and educational programs on Sexual Misconduct to college constituencies;*

² Please note that CUNY revised the Policy on Sexual Misconduct on August 14, 2020 to comply with federal regulations. The revised Policy can be accessed [here](#).

- 6. Gathering and analyzing information and data that will be reviewed in order to improve safety, reporting, responsiveness and the resolution of allegations of Sexual Misconduct;*
- 7. Distinguishing between the specific conduct defined as Title IX Sexual Harassment by the USDOE and the broader definition of Sexual Misconduct prohibited by this Policy; and*
- 8. Ensuring compliance with the federal regulations under Title IX, and other federal, state and local laws.*

This is CUNY's sole policy to address Sexual Misconduct and it is applicable at all CUNY colleges and units.

Other important CUNY policies can be reviewed by using the links below:

[CUNY Campus and Workplace Violence Policy](#) addresses workplace violence.

[CUNY Domestic Violence and the Workplace Policy](#) addresses domestic violence in or affecting employees in the workplace.

[CUNY Procedures for Implementing Reasonable Accommodations and Academic Adjustments](#) addresses CUNY process for responding to requests for reasonable accommodations or academic adjustments.

CUNY campuses also report crime statistics, including statistics relating to sexual violence under the federal Jeanne Clery Act. Clery related information and data are available from the [BMCC Public Safety Department](#).

Other Policies

It is CUNY's policy to recruit, employ, retain, promote, and provide benefits to employees and to admit and provide services for students without regard to race, color, national or ethnic origin, religion, age, sex, sexual orientation, gender identity, marital status, disability, genetic predisposition or carrier status, alienage, citizenship, military or veteran status, unemployment status or status as victim of domestic violence.

Management reaffirms the non-discrimination policy annually. The most recently released reaffirmation letter, which was distributed to the BMCC community via email on August 18, 2020, is shown in [Appendix B](#).³

³ This letter was sent via email to the BMCC community on August 18, 2020, when BMCC Interim President Karrin Wilks was BMCC's interim president. On September 1, 2020, Dr. Anthony E. Munroe became BMCC's president.

RESPONSIBILITY FOR IMPLEMENTATION

While the entire community participates in promoting diversity and inclusion, the College has assigned certain responsibilities for implementation of the plan.

The President

On June 29, 2020, CUNY announced the appointment of Dr. Anthony E. Munroe, a nationally recognized executive with more than 30 years experience leading education and health-care organizations, as BMCC's 11th President. On September 1, 2020, Dr. Anthony E. Munroe (hereinafter referred to as the President) began his leadership role as BMCC's President.⁴ The President oversees Affirmative Action and diversity programs to assure compliance with federal, state, and city laws, rules and regulations and university policies, and:

- Designates personnel to manage Affirmative Action, diversity, and compliance efforts, including a Chief Diversity Officer (CDO), 504/Americans with Disabilities Act (ADA) Coordinator and Title IX Coordinator
- Ensures responsible personnel have authority, staffing, and other resources to fulfill their assigned responsibilities
- Communicates a commitment to equal employment opportunity and issues an annual reaffirmation in support of affirmative action, diversity and equal opportunity
- Approves and releases required reports, including this Affirmative Action Plan.

Chief Diversity Officer

The President has designated Odelia Levy, Esq. as Chief Diversity Officer (CDO) and Responsible Official who:

- Provides confidential consultation for, investigates and resolves discrimination/harassment complaints
- Distributes relevant policies, notices and revisions, and assures integration into training programs, search committee orientations, websites, and other media
- Evaluates the impact of Affirmative Action programs and initiatives
- Prepares and communicates Affirmative Action Plan reports
- Consults with hiring teams and managers on recruitment and selection, overseeing recruitment plans and effective recruitment/selection strategies to promote a diverse workforce

⁴ Former BMCC Interim President Karrin Wilks served as interim president of BMCC during portions of the Plan year.

- Participates in CUNY initiatives promoting diversity and inclusion.

Officials

Executives, department chairpersons, managers, and supervisors are critical partners in Equal Employment and Affirmative Action programs. They help ensure compliance with regulations and policies, foster an inclusive environment, and help develop and implement the Affirmative Action Plan.

Committee(s) on Diversity and Inclusion

During the prior plan year, the BMCC Equity and Inclusion Task Force, advised the President on strategies which focused on improving equity and inclusion for students, faculty, and staff. The BMCC Equity and Inclusion Task Force was part of BMCC's Designing for Success, a College-wide strategic planning program, based on design theory, and aimed at dramatically improving student success and equity.

The BMCC Equity and Inclusion Task Force will reconvene in Fall 2020 and will be renamed the Race, Equity, and Inclusion Steering Committee in October 2020. BMCC is committed to convening a college-wide steering committee focused on equity, inclusion and anti-racism. The committee will focus on actions to advance equity and inclusion as well as combat inequality in all its forms.

University Management

CUNY's Office of Recruitment and Diversity (ORD) establishes job groups and other report parameters and prepares summary statistics. ORD also reports summary statistics and sponsors several university-wide diversity programs.

IMPACT OF 2020 EVENTS

On March 15, 2020, Chancellor Felix Matos-Rodriguez announced CUNY campuses and non-essential personnel were transitioning to remote learning and working for the remainder of the academic year as a result of the COVID-19 pandemic. As of summer, 2020, this arrangement remains in place. The transition and resulting shifts in priorities affect the university's operations in many ways, including personnel practices. We have cancelled or postponed some hiring plans. We have limited or cancelled public events and other campus activities that we could not conduct remotely.

Certain practices have continued unchanged, such as the listing of job vacancy announcements with workforce agencies. The Chief Diversity Officer has continued to work remotely on:

- Complaint intake and investigation

- Accommodations for Individuals with Disabilities
- Recruitment advertising and outreach
- Oversight of hiring, advancement, and separation practices
- Consulting to management.

As of this writing, it is difficult to set placement goals or plan action-oriented programs in the same manner as in prior years, as CUNY and the College have not finalized operational and personnel plans.

Further information is available on the CUNY website at: [CUNY Coronavirus info:
https://www.cuny.edu/coronavirus/.](https://www.cuny.edu/coronavirus/)

PART TWO: DATA AND ANALYSIS

We analyze workforce data as mandated through multiple methods that promote a complete assessment:

- Workforce Analysis (employees within organizational units)
- Establishment of job groups and academic disciplines
- Development of labor market availability measures
- Utilization Analysis for job groups and disciplines
- Review of Personnel Actions (e.g., Hiring, Separation, Promotion)
- Review of Recruitment Activities
- Review of Civil Service Hiring
- Review of Compensation.

Details are available from the US Department of Labor's Office of Contract Compliance Programs (OFCCP) at: [OFCCP site: https://www.dol.gov/ofccp/regs/compliance/ofcpcmp.htm](https://www.dol.gov/ofccp/regs/compliance/ofcpcmp.htm) (*Educational Institutions Technical Assistance Guide*).

DATA SOURCES

Employee Data

On June 30, 2020, we extracted data on full-time active employees employed as of June 1, 2020 from CUNY's system of record (CUNYfirst). We included individuals on most paid leaves, including medical leave and fellowship/sabbatical leave. We did not include individuals on terminal leaves such as retirement leave, student workers (including Graduate Assistants) or individuals employed separately by CUNY's Research Foundation.

BMCC invites employees to self-identify gender, race/ethnicity, veteran status, and disability status. Employees may update selections at any time on an Employee Self-Service portal. We last conducted a self-identification canvas in May 2018 via email. The College provided an FAQ document to explain the reasons for collecting this data and stressed that providing it is voluntary. We plan to conduct the next canvas in the upcoming year.

BMCC also invites job applicants to self-identify on the job application portal.

Self-Identification Categories

We use the following categories to evaluate representation by race/ethnicity for this plan:

- Total Minorities (all groups other than White, reported as a single category)
- Asian (consolidates Asian, Hawaiian, and Other Pacific Islander)
- Black/African American
- Hispanic/Latino
- White (not a protected group).

American Indian/Alaska Native and Two or More Races are included under Total Minorities but are not separately reported.

If a person identifies as both Hispanic/Latino and some another group, they are recorded as Hispanic/Latino, and not as Two or More Races.

Consistent with long-standing agreements, we ask employees to self-identify Italian American status, and create a separate Italian American Affirmative Action Plan.

To retain overall comparisons to individuals in federal categories and to prevent double counting, Italian Americans are not included in Total Minorities in either plan. If individuals indicate both Italian American and federally protected ethnicity categories, we default to the federally protected category, to prevent double counting.

We use federally mandated gender categories of male and female for purposes of this plan. Our system captures non-binary general identification, but only individuals identifying as “female” are included in the federally protected gender category.

Of **1,417⁵** full-time employees, **1** employee did not identify a gender, **1** employee selected a gender other than male or female, and **1** employee did not identify a race or ethnicity category. Anyone who did not specify a gender and/or ethnicity is included in the Workforce Analysis but was not assigned to a protected group. **Five hundred ninety (590)** employees did not identify a Veteran status and **1,348** employees did not identify a Disability status. Disability and Veteran status are priorities for future self-identification campaigns.

Labor Market Source Data

We compare the employee population with the Labor Market from which CUNY would reasonably recruit, train, or promote, for each job group. CUNY re-calculates availability every other year, most recently in 2019. Data sources include:

⁵ The 1,417 figure does not include the following individuals: the Chief Executive Officer (Interim President Karrin Wilks) and former President Antonio Perez. The Workforce Summary by Job Group and Category below lists the number of total employees as 1,418 because it includes the Chief Executive Officer (Interim President Karrin Wilks). Dr. Anthony E. Munroe, BMCC’s current president, began his leadership role on September 1, 2020 and is not included in the June 1, 2020 data report.

- For internal candidates, employee appointments CUNY-wide over 2016-2017 and 2017-2018 for weighting and feeder jobs, applied to the June 1, 2018 employee census.
- For external candidates, US Census American Community Survey (ACS), 5-year estimate, 2013-2017 (final), specifically, extracted from University of Minnesota's Public User Microdata Sample (iPUMS).
- For faculty discipline-based estimates: US Department of Education's National Center for Education Statistics' Integrated Post-Secondary Education Data System (IPEDS) completion data, 2015-2016 (final); evaluated by Classification of Instructional Programs (CIP), most often at two-digit level (major category).

WORKFORCE ANALYSIS

In Workforce Analysis, we reviewed representation of females and minorities by division, department and title, to evaluate diversity by organizational unit rather than job group. We review the data organized by job title in order of rank or salary grade. We also review professorial faculty by tenure status within department. Due to length, Workforce Analysis charts are not included here.

JOB GROUPS, DISCIPLINES, AND MARKET DATA

Job Groups

Except for the Workforce Analysis, we analyze data by groups of jobs with similar duties, qualifications, and other conditions of employment. CUNY establishes job groups (which are jobs with similar duties, qualifications, and other conditions of employment) and reviews them annually, as detailed in [Appendix C](#). A major input is the federal Standard Occupational Classification (SOC) system. We further organize job groups into categories based on federal EEO-1 categories.

The next two pages provide a summary of staffing by job group, followed by a summary of professorial faculty by rank and tenure status.

Disciplines

For College Laboratory Technicians, we evaluate disciplines by assigning departments to either a Scientific/Engineering/Technical group or a General group.

Appendix D lists these assignments. This past year, there were no material changes to the discipline assignments.

Labor Market Availability

Labor Market Availability is an estimate used to benchmark utilization of protected groups, by job group. It represents the proportion of each protected group available for employment in the labor market from which CUNY recruits (both internally and externally). CUNY typically reviews Labor Market Availability every other year and did not revise estimates this year. The appendices listed above provide the basis for each calculation. We utilize the following factors:

Weighting of Internal/External Labor Market

The internal labor market is university-wide and currently reflects the full-time employee population. We produce a weighted estimate based on 2016-2017 and 2017-2018 job moves of CUNY employees. We also identify typical feeder jobs and other conditions, such as permanency status.

Geography

We base geographic factors on both CUNY policy and actual hiring experience.

- National labor market for Administration 1 (Executive), Faculty–Professorial, and Faculty–Instructor.
- Two-state region (New York and New Jersey) for Faculty-Lecturer. IPEDS completion data is only available by State and recruiting is regional rather than national.
- New York State-only labor market where New York State residency is required by statute:
 - College Security Assistant
 - Campus Peace Officer
 - Campus Public Safety Sergeant
 - Security Manager.
- New York/New Jersey Metropolitan Statistical Area (MSA) for remaining job groups. A review of hires in 2018-2019 indicated 98.6% of new hires in these groups reside within this MSA. This area represents a large and highly diverse population.

Qualifications – Other than Collegiate Faculty

- Occupational Group: Standard Occupational Classifications assigned to every job title, matched to Census Occupational Codes.

- Degree Requirements: the minimum requirement for the lowest-ranked job in each job group. These range from none through Master's level.
- Experience: where there is a requirement for a specific number of years of experience, we used age as a proxy, utilizing US Census standards; for example, a Bachelor's degree assumes a standard age of 21, and a Bachelor's degree plus four years of experience would correspond to a minimum age of 25.

Qualifications – Collegiate Faculty - Italian American Plan

As discipline-specific data is not available for Italian American ancestry, we do not analyze faculty by discipline. We utilize American Community Survey data, which contains ancestry information. Respondents may provide up to two ancestries. They may identify as Italian American exclusively or in combination with another ancestry. Categories for Italian American ancestry are Italian (051) and Sicilian (068). The agreed-upon calculation is:

- 100% of the first response (e.g., “Italian”, then “Irish” is counted at 100%)
- 50% of the second response (e.g., “Irish”, then “Italian” is counted at 50%)
- Individuals answering as both Italian and Sicilian, or either Italian or Sicilian with no other choice, are counted at 100%.

UTILIZATION ANALYSIS

We compare female and total minority utilization with the estimated labor market by job group. We also evaluate utilization for the major federal ethnicity categories (Asian, Black/African American, and Hispanic/Latino) and Italian American.

There must be at least five incumbents in order to evaluate a job group. Analyzing groups of less than 30 employees may generate less reliable results than those with larger populations. The President's position reports outside of our establishment and is not included.

We report underutilization where the percent of individuals in a protected group is less than 80% below labor market estimate and the difference is equal to at least one full-time equivalent employee.

We consider job groups and disciplines for which there is underutilization as priorities for placement goals and enhanced outreach when there are hiring opportunities.

Appendix E details utilization/underutilization in each category (job group and/or academic discipline).

Small year-to-year variations in underutilization arise from a combination of changes in availability, hires, advancements, and separations. It is usually not possible to pinpoint a single, direct cause. In job groups with small numbers of employees, numbers may change substantially

even with a change in only one employee.

The following pages summarize staffing and underutilization for each job group.

2020 - 2021

Borough of Manhattan CC

This is a summary of underutilization, of protected groups by faculty Job Group. Only those groups with five or more faculty are reported.

This summary provides three measurements:

-2018: Underutilization reported in the 2018 - 2019 plan (i.e., based on employee census as of 6/1/2018, the the Labor Market Availability estimates in place at that time).

-2019: Underutilization reported in the 2019 - 2020 (i.e., based on employee census as of 6/1/2019, with the current Labor Market Availability estimates, in place at that time).

-2020: Underutilization reported in the 2020 - 2021 Plan (i.e., this plan).

Notes:

-Librarians are now reported in a separate Job Group. In 2018 they were reported with Professorial faculty.

Note changes were made to job groups for security staff in 2019. 2018 figures reflect the prior organization (job groups named CPO-1 and CPO-2) and the 2019 figures reflect the new organization (Campus Security Assistant and Campus Peace Officer). The prior CPO-1 group contained Campus Security Assistant and Campus Peace Officer Level 1 only and CPO-2 contained Campus Peace Officer Level 2 only). The new groups are Campus Security Assistant and CPO (both CPO-1 and CPO-2 titles).

Utilization, Underutilization, and Placement Goals

Faculty

This job category had positive progress, in that underutilization of various underrepresented groups was either eliminated or decreased at the College.

In the Communication, Journalism, Visual and Performing Arts discipline, underutilization of Asian faculty members was eliminated in the Professorial job group. In the Education- Developmental discipline, underutilization of female faculty members was decreased in the Professorial job group. In the Family and Consumer Sciences/Human Sciences discipline, underutilization of Hispanic faculty members was eliminated in the Professorial job group. In the Library (Librarians/Non-Teaching) discipline, underutilization of Hispanic faculty members was eliminated in the Librarian job group.

As in the 2018-2019 plan year, there was no underutilization of female or minority employees in the Professorial job group in the following disciplines: Business Management, Marketing, Support Services; Education; English Language and Literature/Letters; Foreign Languages, Literatures, and Linguistics; Mathematics and Statistics, and Social Sciences.

Underutilization developed or increased in several disciplines. Various factors contributed to the development of underutilization in these disciplines.

In the Communication, Journalism, and Related Programs discipline, the underutilization of female faculty members and Asian faculty members in the Professorial job group remained the same, due to lack of hiring opportunities. In the Computer and Information Sciences and Support Services discipline, the underutilization of Black faculty members in the Professorial job group remained the same, due to the lack of hiring opportunities.

Underutilization developed due to the creation of unfilled vacancies resulting from faculty members retiring, separating employment, or passing away in the following disciplines: Health Professions and Related Programs, Professorial job group (Hispanic), and Family and Consumer Sciences/Human Sciences, Professorial job group (Asian).

The Education - Developmental discipline witnessed an increase of underutilization of female faculty members in the Lecturer job group. The Biological and Biomedical Sciences and Physical Sciences discipline also witnessed an increase of underutilization of Black faculty members in the Professorial job group.

Underutilization reports were issued for two new job groups/disciplines this year because five or more faculty were reported in those groups (opposed to prior plan years, when these groups had less than five faculty members). The Social Sciences discipline had underutilization of female faculty members and Asian faculty members in the Lecturer job group. The Mathematics and Statistics discipline had underutilization of female faculty members and Hispanic faculty members in the Instructor job group. The College will make good faith efforts to improve these new areas of underutilization in the following plan year.

Executive/Administrative/Managerial

In the Administration 1 and Administration 2 job groups, underutilization of female and minority employees remained at zero.

A new underutilization report was issued for the Facility Manager job group because five employees were reported in this group (opposed to prior plan years, when this group had less than five employees). The Facility Manager job group had underutilization of Asian employees. The College will make good faith efforts to improve this new area of underutilization in the following plan year.

Professional Non-Faculty

In the IT Computer Professional job group, underutilization of female employees decreased from 11 to 8.

As in the 2018-2019 plan year, there was no underutilization of female or minority employees in the Accountant and Administration 3 job groups.

Administrative Support Workers

As in the 2018-2019 plan year, there was no underutilization of female or minority employees in the Accountant Assistant and Office Assistant job groups.

In the Administrative Assistant job group, the underutilization for Hispanic minority group remained the same, due to the lack of hiring opportunities. In the Mail Services Worker job group, the underutilization for females remained the same, due to the lack of hiring opportunities.

Craft Workers

This EEO category had positive progress, in that underutilization of various underrepresented groups was eliminated at the College.

In the Skilled Trades job group, underutilization of Hispanic and Black employees was eliminated.

A new underutilization report was issued for the Basic Crafts-Building and Grounds job group because five employees were reported in this group (opposed to prior plan years, when this group had less than five employees). The Basics Crafts-Buildings and Grounds job group had underutilization of female employees. The College will make good faith efforts to improve this new area of underutilization in the following plan year.

In the Laborer and Helpers job group, the underutilization for female and Hispanic employees remained the same, due to the lack of hiring opportunities.

Technicians

As in the 2018-2019 plan year, there was no underutilization of female or minority employees in the Administration 4 (College Lab Technicians) – Science/Technology/Engineering, IT Support Technician, and Print Shop job groups. In the Administration 4 (CLT)- Other job group, the underutilization of Asian employees remained the same, due to the lack of hiring opportunities.

A new underutilization report was issued for the IT Support Technician job group because five employees were reported in this group (opposed to prior plan years, when this job group had less than five employees). There was no underutilization of female or minority employees in the IT Support Technician job group.

Service Workers and Others

This EEO category had positive progress, in that underutilization of various underrepresented groups was either eliminated or decreased at the College.

As in the 2018-2019 plan year, there was no underutilization of female or minority employees in the Campus Peace Officer job group and Campus Public Safety Sergeant job group.

In the Custodial Supervisor job group, underutilization of female employees was eliminated, and underutilization of Hispanic employees decreased. In the Campus Security Assistant job group, underutilization of Hispanic employees decreased.

In the Custodial job group, underutilization of Asian employees increased. Underutilization developed due to employees retiring, separating employment, or passing away, thereby reducing the number of employees in the job group.

OTHER ANALYSES

Personnel Activity

We review personnel actions for adverse impact (selections at substantially different rates for different groups). Chief Diversity Officers review activity for all job groups and report results for those groups with a material number of actions and/or applicants.

Appendix F provides net changes by job group:

- Job Actions by Gender and Ethnicity
- Faculty Tenure Actions by Gender and Ethnicity.

To analyze net changes by job group, we compare employee title changes between two reference

dates (June 1, 2019 and June 1, 2020). We note hires, moves to a higher or lower job group, moves within a job group, and separations. This produces a reasonable estimate but may leave out some actions, such as an employee changing job groups more than once over the year.

Employees who leave one job group to take a position in another are reported as separated from one group and joining another. We consider transfers between CUNY units as a separation from one and a hire in the other.

Tenure is a permanent status granted to professorial faculty and College Laboratory Technicians. Lecturers are eligible for a similar status, Certificate of Continuous Employment (CCE). Individuals are eligible after meeting service requirements. There is an additional review process for professorial faculty, involving department and College-wide Personnel and Budget Committee making recommendations to the President. It is also possible for a faculty member to be hired with Tenure. Faculty reported here received tenure/CCE status effective September 1, 2019.

The tenure report tracks the following statuses:

- Awarded Tenure
- Hired with Tenure
- Denied Tenure (not common).

During the Plan year, **51** employees gained tenure. Out of the **51** employees who gained tenure, **22** employees were minorities. More than half of the employees who gained tenure were women. **One (1)** employee was hired with tenure.⁶

Appendix F-2 provides details of faculty receiving tenure/CCE status effective during the past plan year, covering those awarded tenure, hired with tenure (includes faculty rehired after long-term leaves), and denied tenure.

Recruiting Activity

CUNY is committed to equitable practices to recruit a diverse and highly qualified workforce.

Prior to posting a job vacancy, the Chief Diversity Officer reviews Physical and Mental Qualifications within each listing as well as the language used throughout the job description and job listing. The Chief Diversity Officer also reviews Recruiting Plans for intended diversity recruitment outreach.

BMCC conducts most faculty and administrative hiring by appointing a diverse Search Committee. The Chief Diversity Officer provides an orientation, or “charge”, to committee members on effective selection practices, including practices aimed at reducing potential for bias, as well as affirmative action and equal employment opportunity obligations. In addition, the Chief Diversity Officer reviews applicant pools for sufficient representation prior to committee review. The Chief Diversity Officer reviews applicant self-identification data and determines if there is a need to

⁶ At the time this faculty member was hired, during the plan year, he had tenure granted by another CUNY school.

adjust recruiting and outreach plans.

Federal guidelines state adverse selection may occur when any one group (protected or not) has a selection rate less than 80% of the selection rate of the most-selected group.

Appendix G summarizes recruiting and selection by job group for searches concluded with a job offer between June 1, 2019 and May 31, 2020.

BMCC reports all searches resulting in an offer. For some searches, notably faculty, there is a time gap between offer and start dates. To avoid a lag in reporting, we include searches based on date of accepted job offer, even if the employee has not started work before June 1.

As per federal *Internet Applicant* guidelines, we consider an "applicant" to be someone who applies to a specific opening, has the minimum qualifications, is considered, and does not withdraw. We analyze applicant pools and selection rates for interviews, offers, and hires.

Civil Service Hiring

The College participated in 13 university-wide hiring pools for Classified Civil Service vacancies. Applicants who are pre-qualified based on an examination score indicate their interest in working at one or more units, and each establishment interviews and hires according to Civil Service regulations. We report those applicants expressing an interest in our unit at the hiring pools. CUNY's Office of Human Resources Management administers and validates Civil Service examinations and maintains records of applicants and exam results.

Hiring Pool	Date	Number of Hires
Campus Security Assistant	June 10, 2019; July 22, 2019; November 8, 2019	5 (4 Female; 3 Black; 1 Hispanic)
CUNY Office Assistant	June 19, 2019; September 9, 2019; January 27, 2020; February 26, 2020	10 (8 Female; 6 Hispanic; 1 Black; 2 Asian)
Stationary Engineer	October 22, 2019; November 11, 2019	0
Painter	February 24, 2020	3 (2 Hispanic; 1 Black)
CUNY Peace Officer	September 4, 2019	10 (3 Female; 3 Hispanic; 3 Asian; 4 Black)
Electrician	October 11, 2019; November 7, 2019	1 (1 Hispanic)

PART THREE: ACTION-ORIENTED PROGRAMS

This section provides a qualitative assessment of prior-year goal attainment and details efforts aimed at achieving next year's goals.

Part Three contains:

- Prior-Year Programs
- 2020-2021 Planned Programs
- Ongoing Activities
- Internal Audit and Reporting.

PRIOR-YEAR PROGRAMS

Last year, the College engaged in the following programs to support Affirmative Action and create a climate of inclusion:

As noted earlier, events related COVID-19 have limited certain portions of BMCC's implementation plans.

Summary of Campus Programs, 2019-2020

Program	Impact
Designing for Success Phase II: Taking What Works to Scale	<p>Designing for Success, a College-wide strategic planning program, based on design theory, is aimed at dramatically improving student success and equity. The program is committed to redesigning processes, practices, and policies as needed to dramatically improve student outcomes, to achieve equity in these outcomes, and to bring to scale proven strategies and interventions— designing for success at scale.</p> <p>The goals of BMCC Designing for Success are: improve retention to double degree completion rates, and increase successful transfer and baccalaureate attainment; improve learning through culturally responsive and sustaining pedagogy and support; expand career development leading to meaningful work with family-sustaining wages; and achieve equity in these outcomes in a college community in which all members can thrive. Designing for Success integrates multiple planning initiatives, including initiatives by the Equity and Inclusion Taskforce which is part of Strategic Planning Phase I of Designing for Success.</p> <p>The work produced by the Equity and Inclusion Taskforce in the Strategic Planning Phase I of Designing for Success was integrated into Strategic Planning</p>

Program	Impact
	<p><u>Phase II: Designing for Success Taking What Works to Scale.</u></p> <p>A session was held on October 25, 2019 to discuss Designing for Success Phase II goals, and to review the committee agenda, charges, planning documents, data and resources of over 170 faculty and staff members that participated in six working groups. On February 13, 2020 another session was held to review and report progress of the six working groups and discuss next steps.</p> <p>Designing for Success: Strategic Planning Phase II began in fall 2019 and continued into spring 2020, culminating with the publication of the College's new strategic plan for 2020-2025.</p>
Annual Winter Faculty Convocation	<p>On January 22, 2020, the College held its annual Winter Faculty Convocation, an event designed to promote an inclusive and welcoming environment for all faculty members. The Convocation gathered all faculty, including full-time and part-time faculty, to discuss teaching and learning, in support of student success both in and out of the classroom. Faculty and staff were also invited to attend. All attending faculty/staff received a welcome from Interim President Karrin E. Wilks and Acting Provost/Senior Vice President Erwin J. Wong. President Karrin E. Wilks welcomed convocation participants and noted that consistently delivering culturally-responsive lessons will help to engage BMCC students by positioning diversity as a strength. David E. Kirkland, PhD, JD, a transdisciplinary scholar of language, literacy and urban education, gave the Keynote address. He framed the premise of his presentation around the fact that a majority of students in U.S.</p>

Program	Impact
	<p>public schools qualify for free or reduced lunches, are students of color and most of them are vulnerable. Dr. Kirkland specializes in exploring through the construct of literacy the intersection among language, race, gender and urban youth culture.</p> <p>The Theme for this year's event was <i>Culturally Responsive and Sustaining Engagement</i>.</p> <p>Attendees had the opportunity to attend panels and workshops, which included the following topics:</p> <ul style="list-style-type: none"> • Implicit Bias; • Using Culturally Relevant Pedagogy (CRP) to Engage Students on the First Day of Class - Sharing individual practices, brainstorming, creating culturally responsive pedagogical strategies for the first day of class which will help facilitate a safe, inclusive, and affirmative learning community for students; • Identity Mapping - Discussing identity and how it may influence our thinking and those around us. Based on different identities, this allows for ongoing discussions on what components make up a student's identity and how it may impact their learning in and outside of the classroom environment; • Transforming the College - Building a "practical utopia" here at BMCC. Culturally sustaining pedagogy in every class; Equity/Equality/Liberation/Justice;

Program	Impact
	<p>Cost reduction or elimination; Mission Statements and goals; Becoming ready for our students; Rethinking campus security; LGBTQAI+ justice/liberation and access; Immigration and borders; Racial justice and liberation; Childcare; Maintaining open admissions; Challenging the school-prison juxtaposition; Implementing pedagogical approaches/theories/philosophies faculty find inspiring; and</p> <ul style="list-style-type: none"> • Cultivating a Multi-Lingual Classroom - Many BMCC students speak (at least!) another language besides English. Using useful terminology (e.g. ELL, MLL, Generation 1.5, etc.) that highlights students' diverse linguistic trajectories gives a clearer sense of the different obstacles that different multilingual students face.
Faculty Mentoring Programs	<p>Faculty mentoring at BMCC takes many forms, including formal and informal mentor-mentee relationships. Many academic departments pair incoming faculty with senior faculty in the department to help new faculty get their bearings in a department.</p> <p>The College also has several college-wide programs where experienced faculty lead groups in learning about or trying various teaching methodologies, such as learning communities or online learning.</p> <p>During the last plan year, the Office of Faculty Affairs focused on expanding these efforts to help faculty create a mentoring network. In contrast to traditional notions of mentoring, BMCC's mentoring programs</p>

Program	Impact
	<p>are premised on the belief that there is no one person who can assist a faculty member in all aspects of their career and mentoring is useful for faculty at many stages of their careers, not only for those who are new or pursuing tenure.</p> <p>The BMCC mentoring program consisted of the following:</p> <ul style="list-style-type: none"> • Cohorts for New Faculty Orientation in fall 2020 • Guidance for faculty preparing for tenure and promotion in fall and spring • Support for faculty developing new online courses or teaching their first online course • Matching faculty with research mentors within CUNY or at other institutions
Center for Excellence in Teaching, Learning, and Scholarship (CETLS) – BMCC	<p>CETLS-BMCC is a faculty-driven center that serves the BMCC community by providing a forum for faculty to develop as teachers and scholars and to serve as pedagogical leaders. CETLS fosters cross-disciplinary dialogue about pedagogy and scholarship and provides opportunities for faculty professional development. One of the goals of this program is to decrease and/or eliminate areas of faculty underutilization for women and minorities through mentorship.</p> <p>During the 2019-2020 academic year, CETLS facilitated several Faculty Interest Groups (FIGs). FIGs are interdisciplinary groups of faculty and staff members</p>

Program	Impact
	<p>coming together to explore a common research, creative, or teaching interest. All BMCC faculty and staff are welcome to join existing FIGs or propose a new FIG. During the 2019-2020 academic year, CETLS facilitated the following FIGs: Africana Studies; Culture, Women's Stories, and Creativity in STEM; Women's Studies Project; Queer Communities; Cross-Cultural Approaches to Latino/a Studies; and Language, Society and Culture.</p> <p>CETLS events during the 2019-2020 academic year covered a variety of topics, including:</p> <p>Well-Being and Equity: What does it mean to put support for student flourishing at the center of our commitment to equity? What does it mean to place equity, diversity, and inclusion at the center of our commitment to fostering student well-being?</p> <p>Here we "Roe" Again!: The Women's Studies Project kicked off the New Year with a discussion of this past year's legislation restricting reproductive rights, what is expected in 2020, and how it impacts all of us.</p> <p>SafeZone Ally Training: a two-hour training focusing on LGBTQ issues and the role of allies.</p> <p>Understanding Student Veterans: Challenges Transitioning from Military Service to Campus Life: A conversation with current student veterans and faculty who have worked closely with veterans, facilitated by staff from the Veterans Resource Center.</p> <p>Queer Communities at BMCC:</p>

Program	Impact
	Conversations around representation, visibility, and social action within the queer communities.
New Faculty Orientation: EEO and Sexual Harassment Training for New Faculty	<p>On August 22, 2019, as part of the annual New Faculty Orientation, the Office of Compliance and Diversity conducted an interactive EEO and Sexual Harassment training session for newly hired faculty members. At the training, new faculty members learned about CUNY's non-discrimination, sexual harassment, and accommodation policies.</p> <p>During the orientation, new faculty members also received information about tenure and promotion procedures.</p>

Collaborative on Academic Careers in Higher Education (COACHE) Faculty Job Satisfaction Survey	<p>In Spring 2019, BMCC and CUNY administered the Collaborative on Academic Careers in Higher Education (COACHE) Faculty Job Satisfaction Survey to professors at the college. The COACHE survey, which originates at the Harvard Graduate School of Education, is a research-practice partnership and network of peer institutions dedicated to improving outcomes in faculty recruitment, development, and retention. A report produced from the COACHE survey results presents strengths and concerns the survey revealed, looking at the responses of all faculty as well as aggregating the responses by groups including pre-tenure faculty, associate professors, female faculty and faculty of color. Faculty were asked to gauge their satisfaction with factors such as diversity, support from colleagues and their department, quality of leadership, assistance for grant proposals and others. The COACHE survey was used to inform the BMCC Designing for Success Phase II: Taking What Works to Scale process, and its priority of improving student success.</p>
Implicit Bias Training for Departmental Personnel and Budget Committees: Recruiting and Retaining a Diverse Faculty	<p>On January 21, 2020, the Chief Diversity Officer, in partnership with the Associate Dean of Faculty and the Director of Faculty Appointments, presented a training titled “Recruiting and Retaining a Diverse Faculty” to departmental personnel and budget committees. Twenty personnel and budget committee members attended, representing six academic departments. The training highlighted how implicit bias can negatively impact the hiring process and equal opportunity in recruitment. Attendees were provided strategies to minimize implicit bias in the hiring process in order to strengthen the recruitment of diverse faculty. This training was</p>

EEO and Sexual Harassment Training for BMCC Community	The Office of Compliance and Diversity provided EEO and Sexual Harassment training to the following groups during the last plan year: new students, new faculty, faculty-student disciplinary committee, full-time employees, study abroad chaperones, specific faculty and staff Departments, and ASAP employees. During the course of the plan year, the Office of Compliance and Diversity provided in-person training to, approximately, 1,826 students and 448 employees.
ADA Accommodations & Best Practices Training for Academic Departments	During the last plan year, the College's Chief Diversity Officer continued to work closely with Department Chairs to discuss strategies for promoting diversity and inclusion and implementing best practices, specifically tailored to meet the needs of their individual departments. In fall 2019, the Chief Diversity Officer presented a training on disability accommodations best practices to the faculty in the Modern Languages Department. Thirty-two faculty and staff members from the department attended. In fall 2019, the Chief Diversity Officer presented a training on disability accommodations best practices to Department Chairpersons.
Women's Resource Center	In fall 2019, BMCC's Women's Resource Center participated in information sessions and workshops for Breast Cancer Awareness: Information Tabling, Breast Cancer Awareness Photo Exhibition & Info Gallery, Self-Breast Exam Workshop, and Cancer Care Workshop. In spring 2020, the

	<p>In November 2019, Domestic Violence Awareness month, the Women's Resource Center promoted domestic violence awareness by sponsoring various workshops, trainings, and events, such as Transgender Day of Remembrance, Pledge to End Domestic Violence, International Human Rights Day, and World AIDS Awareness Day. On November 7, 2019, the Women's Resource Center also held Walk with Me, an annual event in which more than 100 BMCC students, faculty and staff participated in a silent march through BMCC's 199 Chambers Street campus to raise awareness for domestic violence and show support.</p>
	<p>In March 2020, in celebration of women's history month, the Women's Resource Center presented to the College community Women's Herstory Month, a month-long celebration which included a variety of events, lectures, workshops and discussions including "Looking Back, Moving Forward: Women and the Right to Vote." On March 5th, 2020, the college held an event called "Women Entrepreneurs Share Experiences," in which women entrepreneurs shared their experiences of starting a business and acquiring funding. Speakers included Emily Pan, founder of Mindful Sense; Sandra Thelusmond, founder and CEO of Vibrate Higher and Executive Director of the non-profit Vibrate Higher Foundation; Yanti Amos,</p>

The Safe Zone program is comprised of faculty and staff volunteers who are committed to being allies and a source of support and information to individuals regardless of their sexual orientation or gender identity. It is a mode of outreach to LGBTQ students to make them feel welcome in all areas of the college. BMCC provides training for faculty and staff as part of the LGBTQ Safe Zone project once a semester.</p>

2020-2021 PLANNED PROGRAMS

In this section, we affirm placement goals and key initiatives.

Planned Campus Programs, 2020-2021

Program	Expected Impact
Designing for Success: Equity, Inclusion and Anti-Racism Committee	<p>The BMCC Equity and Inclusion Task Force will reconvene in Fall 2020 and will be renamed the Race, Equity, and Inclusion Steering Committee, effective October 2020. BMCC is committed to convening a college-wide steering committee focused on equity, inclusion and anti-racism. The committee will focus on actions to advance equity and inclusion as well as combat inequality in all its forms.</p> <p>The college will offer resources and activities to engage the College community in thoughtful discussions to find solutions, as we follow our mission to offer quality education to all students and a welcoming place to work for all faculty and staff.</p>
BMCC Mentoring Programs	<p>BMCC Mentoring Programs will continue in the 2020-2021 academic year. The BMCC mentoring program, as in the last plan year, will consist of the following:</p> <ul style="list-style-type: none"><li data-bbox="861 1453 1225 1522">• Cohorts for New Faculty Orientation in fall 2020<li data-bbox="861 1571 1356 1691">• Guidance for faculty preparing for tenure and promotion in fall and spring<li data-bbox="861 1740 1372 1839">• Support for faculty developing new online courses or teaching their first online course<li data-bbox="861 1888 1323 1924">• Matching faculty with research

	<p>mentors within CUNY or at other institutions</p> <p>The Office of Faculty Affairs will continue to expand these efforts to help faculty create a mentoring network.</p>
Center for Excellence in Teaching, Learning, and Scholarship (CETLS) – BMCC	<p>CETLS-BMCC, described above, is a faculty-driven center that serves the BMCC community by providing a forum for faculty to develop as teachers and scholars and to serve as pedagogical leaders. CETLS fosters cross-disciplinary dialogue about pedagogy and scholarship, and provides opportunities for faculty professional development. One of the goals of this program is to decrease and/or eliminate areas of faculty underutilization for women and minorities through mentorship.</p> <p>In a continuing effort to improve faculty development and equity, the College will continue its CETLS program in the 2020-2021 academic year.</p> <p>In Summer 2020, CETLS partnered with the Library and E-Learning to design and deliver the Resilient Teaching Workshop. More than 400 faculty participated in Resilient Teaching. The workshop included a mix of synchronous (zoom) and asynchronous (Blackboard) spaces for faculty to experience and engage with asset-based pedagogies, engage in decision-making about tools to support their pedagogical goals, and gain experience with the technologies they selected for their fall courses.</p> <p>Resilient Teaching will be the focus for CETLS in Fall 2020 and Spring 2021.</p>

ONGOING ACTIVITIES

The College's programs benefit from additional University-wide recruitment, diversity, and compliance programs. The University:

- Sends job postings to State Workforce Agencies and Veterans' career centers
- Maintains consolidated advertising programs, including job boards serving Veterans, Individuals with Disabilities, women, and protected minority groups
- Maintains social media accounts for recruitment and employment branding
- Advertises and administers Civil Service examinations
- Publishes guides and training materials on effective recruiting and selection
- Publishes an annual notice of non-discrimination in the New York Times newspaper
- Provides training and ongoing updates to Chief Diversity Officers.

In 2019-2020, the University continues to implement a University-wide on-line training program for faculty and staff on sexual harassment prevention.

Recruitment policies support developing diverse applicant pools through:

- Required posting of open positions and of Civil Service Notices of Exam; typical faculty vacancies are posted for 30-60 days and administrative vacancies are posted for 14-30 days
- Collection of all applications into a single automated system where pre-established screening practices relevant to the specific function may be applied
- A job application process where candidates are automatically invited to self-identify race/ethnicity, gender, veteran status, and disability status; data is kept confidentially and used to analyze the composition of applicant pools
- For many positions, a committee recruiting process by which a diverse team evaluates candidates according to consistent criteria and job-related interview questions
- An annual survey of newly appointed employees to identify potential areas of concern in how the College communicates with its candidates.

BMCC continues to broaden the College's diversity recruitment and outreach efforts to hire and retain faculty members. The Chief Diversity Officer and Digital Recruiter coordinate resources to ensure that diversity outreach efforts to recruit faculty members are effective and strategic. This collaboration allows the Digital Recruiter to engage in targeted outreach and address

underutilization in an impactful manner. The Digital Recruiter utilizes online tools, including social media recruitment opportunities on LinkedIn and Twitter, to establish BMCC as an employer of choice and to distribute BMCC faculty opportunities to a broad range of diversity recruitment sources. For example, when utilizing LinkedIn and Twitter for faculty applicant sourcing, the job opportunities are sent to diversity groups, including, but not limited to, Hispanic Professionals, National Black MBA Association, National Association of Asian American Professionals, Woman 2 Woman Business, Professionals with Disabilities, The National Italian American Foundation, Recruit Military, Black Career Women's Network, and Minority Nurses. This ensures that faculty openings are widely distributed to a diverse applicant pool.

Furthermore, faculty positions are advertised on the Smart Recruiter platform, which distributes the openings online to Hispanics Today, The Black Perspective, Diversityjobs.com, and Diversity in Education, among other diversity recruitment websites. The College also posts faculty positions on the following diversity recruitment websites: Hispanic Outlook, Chronicle of Higher Education, Diverse Issues, Jobs.womenforhire.com, Academiccareers.com, Higheredjobs.com, and Howard University. In Fall 2019, the Digital Recruiter attended the 7th Annual Black Doctoral Network Conference. The Black Doctoral Network recruitment fair is an excellent venue for employers who are committed to diversity and inclusion at their institution. At the event, the College interviewed highly qualified candidates from underrepresented groups with advanced degrees from across the disciplines for faculty or other professional positions. BMCC also posted employment opportunities on the following job sites: Workforce Recruitment Program, Association of University Centers on Disabilities, NYC: ATWORK, and Vetjobs.

In addition to the foregoing, the Chief Diversity Officer posts and distributes notices of non-discrimination policies, changes in regulations, compliance information, and makes the Affirmative Action Plan available for public inspection. Additionally, the Chief Diversity Officer integrates compliance information into training programs for faculty, students, and staff.

The Office of Compliance and Diversity reviews job postings to ensure that they are consistent with CUNY's policies on equal opportunity. Before positions are posted, the Office of Compliance and Diversity works with the hiring managers to develop a strategic diversity recruitment plan. Additionally, the Office of Compliance and Diversity reviews applicant pools to ensure that each pool includes a diverse range of applicants from various races/ethnicities and genders. The Office of Compliance and Diversity also meets with all search committees for a charge to review CUNY's equal opportunity and non-discrimination policies as well as affirmative action obligations, as well as best practices for minimizing implicit bias and promoting equal opportunity in the hiring process.

In August 2019, the Digital Recruiter transferred from the Office of Human Resources to the Office of Compliance and Diversity. This restructuring has enhanced the Digital Recruiter's ability to work closely with the Chief Diversity Officer to create and improve strategies to promote diversity in recruitment. For example, the Chief Diversity Officer developed a process that focuses on providing faculty and staff with outreach opportunities and on best practices for strategic diversity recruitment. As part of this strategic focus, the Digital Recruiter works closely with hiring managers to engage in targeted recruitment for individual job opportunities before a position is posted, with the goal of ensuring strategic diversity recruitment outreach and

improving areas of underutilization for each department.

The Office of Compliance and Diversity provided EEO and Sexual Harassment training to the following groups during the last plan year: new students, new faculty, faculty-student disciplinary committee, full-time employees, study abroad chaperones, specific faculty and staff Departments, and ASAP employees. During the course of the plan year, the Office of Compliance and Diversity provided in-person training to, approximately, **1,826** students and **448** employees.

In fall 2019, the Chief Diversity Officer co-presented the Comprehensive Ethics Training Course, for Policy Makers and Threshold Filers, as well as an Ethics Training Course refresher for cabinet members. In spring 2020, the Office of Compliance and Diversity partnered with the Office of Human Resources to present trainings on disability accommodations to faculty and staff. The trainings focused on the process for requesting reasonable accommodations in light of COVID-19. The Office of Compliance and Diversity also provided guidance to campus departments on how to process accommodation requests during COVID-19 and during remote work. The Office of Compliance and Diversity also provided guidance on re-opening plans for members of vulnerable populations.

During the last plan year, the College's Chief Diversity Officer continued to work closely with Department Chairs to discuss strategies for promoting diversity and inclusion and implementing best practices, specifically tailored to meet the needs of their individual departments. In fall 2019, the Chief Diversity Officer presented a training on disability accommodations to the faculty in the Modern Languages Department. Thirty-two faculty and staff members from the department attended. In fall 2019, the Chief Diversity Officer presented ADA Accommodations & Best Practices to Academic Chairpersons with over 16 academic chairs attending each session. On January 21, 2020, the Chief Diversity Officer, in partnership with the Associate Dean of Faculty and the Director of Faculty Appointments, presented a training titled "Recruiting and Retaining a Diverse Faculty" to departmental personnel and budget committees. Twenty personnel and budget committee members attended, representing six academic departments. The training highlighted how implicit bias can negatively impact the hiring process and equal opportunity in recruitment. Attendees were provided strategies to minimize implicit bias in the hiring process in order to strengthen the recruitment of diverse faculty. This training was conducted jointly with Academic Affairs – and it also covered procedures for recruitment, retention, drafting job descriptions, tenure, and other roles fulfilled by the personnel and budget committee.

Each year the College promotes diversity through a program of events. BMCC hosted the following events to promote diversity at the College:

During the course of the last plan year, BMCC sponsored multiple events to celebrate the diversity on our campus. This included sponsoring heritage months, which included activities ranging from exhibits and discussions, to films and speakers. During the academic year, BMCC celebrated African American Heritage Month, Asian Heritage Month, Hispanic Heritage Month, Italian American Heritage Month, and LGBT Pride Month. BMCC also hosted the annual Saint Patrick's Day Luncheon, featuring traditional Irish cuisine, dance, and music, to benefit the BMCC Student Emergency Fund.

In addition, BMCC held multiple events to celebrate veterans, including events celebrating the U.S. Coast Guard's 229th birthday, the U.S. Air Force's 72nd birthday, the U.S. Navy's 244th birthday, and the U.S. Marine Corps' 244th birthday. BMCC also showed its support for veterans by hosting a Fall Welcome Back event in September 2019 and a Spring Welcome Back event in February 2020. Additionally, BMCC participated in the NYC Veteran Day Parade in November 2019 and the U.S. Marine Corps Reserve Toys for Tots Drive in December 2019. BMCC also recognized student veterans by hosting events during Hispanic Heritage Month and Black History Month.

In fall 2019, BMCC's Women's Resource Center participated in information sessions and workshops for Breast Cancer Awareness: Information Tabling, Breast Cancer Awareness Photo Exhibition & Info Gallery, Self-Breast Exam Workshop, and Cancer Care Workshop. In spring 2020, the Women's Resource Center held the following events for the campus community: Girl Talk Weekly Dialogue, Sister2Sister Peer Mentoring Program, Women's HerSTory Month, Good Deeds Day, and the 18th Annual Student Women's Leadership Conference and Outdoor Retreat.

In November 2019, Domestic Violence Awareness month, the Women's Resource Center promoted domestic violence awareness by sponsoring various workshops, trainings, and events, such as Transgender Day of Remembrance, Pledge to End Domestic Violence, International Human Rights Day, and World AIDS Awareness Day. On November 7, 2019, the Women's Resource Center also held Walk with Me, an annual event in which more than 100 BMCC students, faculty and staff participated in a silent march through BMCC's 199 Chambers Street campus to raise awareness for domestic violence and show support.

In March 2020, in celebration of women's history month, the Women's Resource Center presented to the College community Women's Herstory Month, a month-long celebration which included a variety of events, lectures, workshops and discussions including "Looking Back, Moving Forward: Women and the Right to Vote." On March 5th, 2020, the college held an event called "Women Entrepreneurs Share Experiences," in which women entrepreneurs shared their experiences of starting a business and acquiring funding. Speakers included Emily Pan, founder of Mindful Sense; Sandra Thelusmond, founder and CEO of Vibrate Higher and Executive Director of the non-profit Vibrate Higher Foundation; Yanti Amos, health and wellness business entrepreneur; and Bridgette Duncan, a certified personal trainer.

The Women's Resource Center also continued its work with the BMCC Safe Zone, a program geared towards providing support to members of the BMCC lesbian, gay, bisexual, transgender, and queer (LGBTQ) community and helping to create a more inclusive environment. The Safe Zone program is comprised of faculty and staff volunteers who are committed to being allies and a source of support and information to individuals regardless of their sexual orientation or gender identity. It is a mode of outreach to LGBTQ students to make them feel welcome in all areas of the college. BMCC provides training for faculty and staff as part of the LGBTQ Safe Zone project once a semester.

Finally, the College incorporates diversity and inclusion in its academic courses. The Center for Ethnic Studies is committed to teaching and learning about universal human values that lead to positive change. It is central to the mission of the College, and specifically to the Center for

Ethnic Studies, to address these issues and to educate the community about the history of our country and continue to fight for a more just society. The Center offers students an opportunity to study the experiences of diverse racial and ethnic groups in North America, as well as the histories and creative expressions of Africa, the Caribbean, Latin America, and Asia. Through its curriculum, the Center of Ethnic Studies strives to revitalize the cultural heritages of historically excluded and underrepresented groups - Africans and peoples of African descent, Latinos, and Asians. Professors in the Center for Ethnic Studies also led study abroad courses in Brazil and the Dominican Republic.

CUNY Central's Office Human of Resources Management:

- Lists job vacancies with State Workforce Agencies and Veterans' centers
- Maintains consolidated advertising programs, including job boards serving Veterans, Individuals with Disabilities, women, and protected minorities
- Maintains social media accounts for recruitment and employment branding
- Advertises and administers Civil Service examinations
- Distributes training materials on effective recruiting and selection
- Provides training and updates to Chief Diversity Officers.

CUNY implemented an on-line training program for faculty and staff on sexual harassment prevention; we regularly review training records and follow-up with individuals who have not participated.

Recruitment policies support diverse applicant pools through:

- Required posting of open positions and of Civil Service Notices of Exam; typical faculty vacancies are posted for 30-60 days and administrative vacancies are posted for 14-30 days
- Collecting applications in a single system where pre-established screening practices may be applied
- Inviting candidates to self-identify race/ethnicity, gender, veteran status, and disability status when applying; data is kept confidentially and used to analyze applicant pools
- For many positions, a diverse Search Committee evaluates candidates according to consistent, job-related criteria.

INTERNAL AUDIT AND REPORTING

The Chief Diversity Officer posts and distributes notices of policies, new/revised regulations, and similar compliance information, and makes the Affirmative Action Plan available for public inspection. She also integrates compliance information into training programs for faculty, students, and staff.

The Chief Diversity Officer's responsibilities for audits and reviews include:

- Monitoring personnel actions, including new hires, transfers, promotions, and terminations
- Monitoring employee self-identification programs
- Reviewing recruiting outreach and advertising
- Monitoring complaints/incident reports which may indicate underlying trends
- Reviewing personnel practices and the Affirmative Action Plan with management
- Advising management of program effectiveness and providing recommendations for improvement.

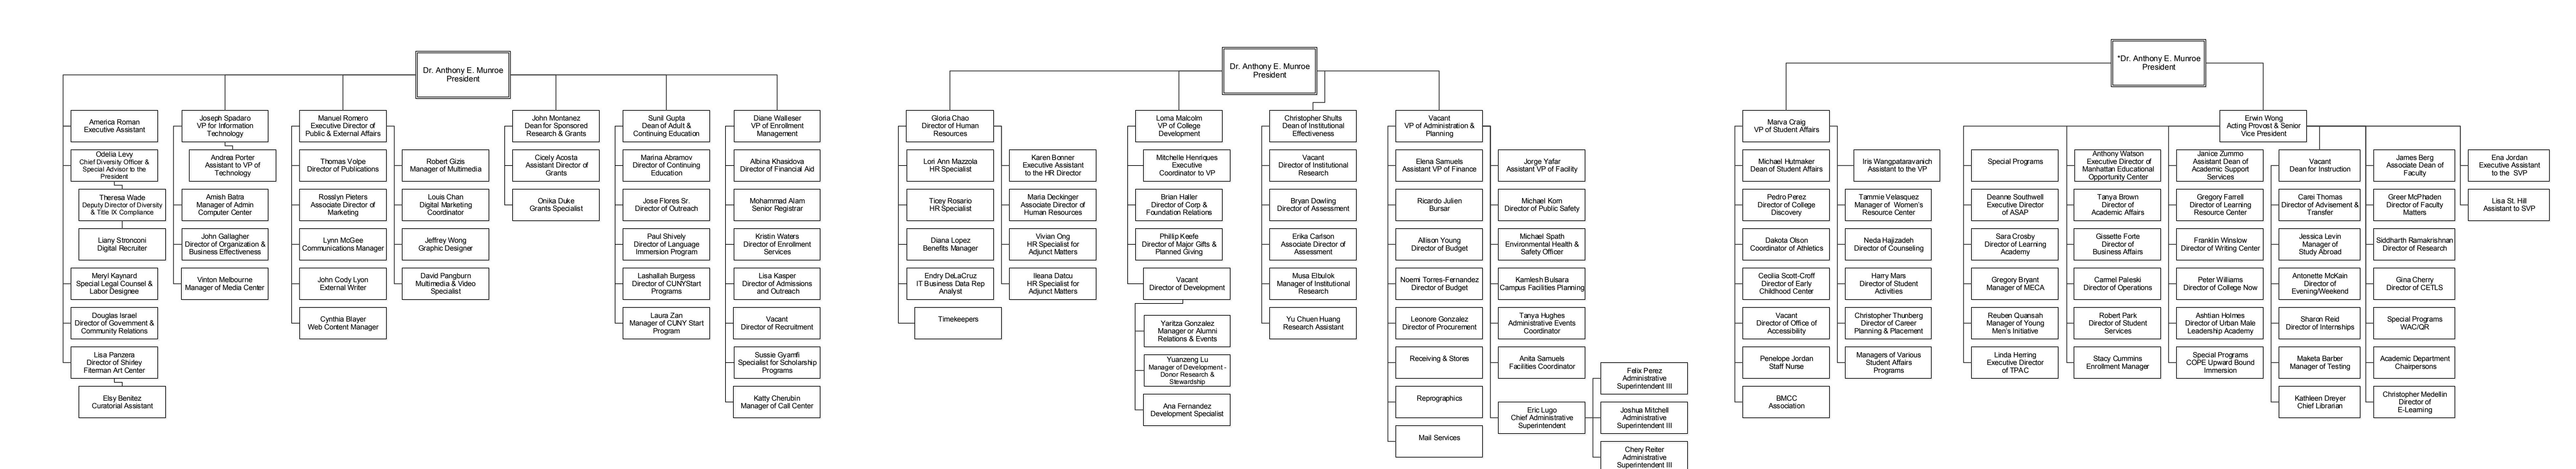

The Chief Diversity Officer works with the Human Resources function to assure employment records, including records in CUNYfirst (HR Information System) are complete, accurate, and up-to-date.

REAFFIRMATION OF COMMITMENT TO AFFIRMATIVE ACTION, EQUAL OPPORTUNITY, DIVERSITY, AND INCLUSION

The Borough of Manhattan Community College and the City University of New York (CUNY) maintain a strong commitment to affirmative action, equal opportunity and diversity and inclusion. As a diverse teaching and learning community committed to advancing equity and the intellectual and personal growth of students, BMCC celebrates the rich diversity of experience and knowledge that the entire community brings to the College.

We are all enriched and strengthened by this rich diversity of backgrounds, perspectives, and ideas. At BMCC, I strongly support the policies and practices that we have implemented to foster non-discrimination, affirmative action, and diversity and inclusion in the workplace and in the classroom. Consequently, I reaffirm BMCC's commitment, and my own commitment, to the principles of affirmative action, equal opportunity, diversity, and inclusion at BMCC. CUNY's Policy on Equal Opportunity and Nondiscrimination, as well as the CUNY Policy on Sexual Misconduct, include our commitment to recruit, employ, retain, promote, and provide benefits to employees (and applicants) and to admit and provide services for students without discriminating on the basis of actual or perceived race, color, creed, national origin, ethnicity, ancestry, religion, age, sex, sexual orientation, gender, gender identity, marital status, partnership status, disability, genetic information, alienage, citizenship, military or veteran status, pregnancy, status as a victim of domestic violence/stalking/sex offenses, unemployment status, caregiver or familial status, prior record of arrest or conviction, or any other legally prohibited basis in accordance with federal, state, and city laws. Sexual harassment, a form of sex discrimination, is also prohibited. Furthermore, retaliation is strictly prohibited.

As a federal contractor, CUNY and BMCC engage in affirmative action consistent with Executive Order 11246. In addition to the protected groups delineated in Executive Order 11246, Italian-Americans are also included as a protected group in a separate Affirmative Action Plan.

I have assigned the responsibility for the implementation and monitoring of our compliance program to the Chief Diversity Officer and Special Advisor to the President, Odelia Levy, who serves as the 504/ADA Coordinator and Title IX Coordinator, and to Theresa Wade, Deputy Director of Diversity & Title IX Compliance. The vice presidents, deans, directors, managers and supervisors all share an ongoing responsibility for ensuring our compliance with these policies and laws. The Chief Diversity Officer and Deputy Director oversee the investigation of internal complaints of unlawful discrimination or harassment. The Office of Compliance and Diversity is located at 199 Chambers Street, Room S701 and is currently operating remotely. If you have a complaint of unlawful discrimination, unlawful harassment, or retaliation, including sexual harassment, or would like additional information, please contact the Chief Diversity Officer at OLevy@bmcc.cuny.edu or at 212-220-1236 or the Deputy Director at TWade@bmcc.cuny.edu or at 212-220-1273. All emails and phones are active during remote work.

I invite you to visit the BMCC and CUNY websites to learn more about our policies pertaining to unlawful discrimination and harassment, including sexual harassment, and retaliation, including the [CUNY Equal Opportunity and Non Discrimination Policy](#) and the [CUNY Policy on Sexual Misconduct](#). Additional information about external agencies handling complaints of unlawful discrimination and harassment as well as other policies are available on the Office of Compliance and Diversity [website](#). BMCC remains committed to promoting diversity and equal opportunity. These initiatives foster our vibrant campus community and create an environment where all members are empowered to succeed. A core BMCC value is belonging, ensuring that all members of a community feel that they belong and are valued. BMCC is committed to advancing equity and to promoting our culture of care in which all members can thrive. I ask for your continued support to ensure affirmative action, equal opportunity, diversity, and inclusion in all programs and practices at BMCC.

Appendix E-1 presents utilization and underutilization of protected groups by job group. A group is displayed only when five or more employees assigned to it.

Underutilization occurs where the utilization of a protected group is less than 80% of Labor Market Availability. We calculate a number approximating the number of full-time employees that would be needed to make utilization equal to the labor market. Where utilization is zero (0), underutilization exists but not to the level of one full-time equivalent employee. Blanks indicate no underutilization.

Underutilization numbers represent specific placement goals as prescribed for federal Affirmative Action Plans.

Total Minority is comprised of Asian/Hawaiian/Other Pacific Islander, Black/African American, Hispanic/Latino, American Indian/Alaska Native and Two or More Races.

Appendix E-2 presents utilization and underutilization for College Laboratory Technicians, by general discipline and by protected demographic group. A group is displayed only when five or more employees are assigned to it.

Underutilization occurs where utilization of a given group is less than 80% of Labor Market Availability. We calculate a number approximating the number of full-time employees that would be needed to make utilization equal to the labor market. When this number is zero (0), underutilization exists but not to the level of one full-time equivalent employee. Blanks represent no underutilization.

Underutilization numbers represent specific placement goals as prescribed for federal Affirmative Action Plans.

Total Minority is comprised of Asian/Hawaiian/Other Pacific Islander, Black/African American, Hispanic/Latino, American Indian/Alaska Native, and Two or More Races.

Appendix E-3 presents utilization and underutilization, of faculty members in protected groups by faculty job group. A group is displayed only when five or more faculty are assigned to it.

Underutilization occurs where the utilization of a protected group is less than 80% of Labor Market Availability. We calculate a number approximating the number of full-time employees that would be needed to make utilization equal to the labor market. Where utilization is zero (0), underutilization exists but not to the level of one full-time equivalent employee. Blanks indicate no underutilization.

Underutilization numbers represent specific placement goals as prescribed for federal Affirmative Action Plans. Note that the official underutilization measures are those calculated for the academic discipline, which may comprise more than one department.

Total Minority is comprised of Asian/Hawaiian/Other Pacific Islander, Black/African American, Hispanic/Latino, American Indian/Alaska Native and Two or More Races.

Appendix F provides tables with detail on personnel activities and faculty tenure actions by ethnicity and gender. This first section (F-1) provides detail on personnel activity in the categories noted below, evaluated by job group and by EEO Category.

Detail on selected categories/groups with material levels of activity are published here.

Personnel Action Categories

Action Type	Description
Advancement	Moved to a job title that represents career advancement, whether or not on a published career path. Can be evaluated by sub-categories (Moved to a Higher Title within Group and Moved to a Higher Job Group).
Joined Group - Hire	Employed at the college for the first time, or re-hired after a break in service; includes employees who previously worked at another CUNY College and those appointed through Civil Service Transfer Rosters.
Joined Group - Internal Move	Joined group from another job group. Can be evaluated by sub-categories (Joined from a Higher Job Group, Joined from a Lower Job Group (Advancement), Other Change of Group, or Return to Faculty from Other Title).
Left Group - Internal Move	Left group to move to another job group. Can be evaluated by sub-categories (Move to a Higher Job Group (Advancement), Move to a Lower Job Group, Other Change of Group, or Return to Faculty from Other Title).
Left Group - Separation	Left employment at the college. Includes leaving CUNY entirely (for both voluntary and involuntary reasons) or leaving to take a job at another college, including through Civil Service Transfer Rosters.

Borough of Manhattan CC

Appendix F-2 presents a summary of tenure actions. Tenure is a permanent status awarded on the basis of years of service and/or academic or research achievement.

Faculty in Professorial titles (other than visiting) are eligible for tenure which is awarded based on academic or research achievement and service. College Laboratory Technicians are eligible for tenure based on years of service, and Lecturers are eligible for a Certificate of Continuous Employment (CCE) based on years of service. K-12 Teachers and Counselors are also eligible for tenure.

Tenure is effective on September 1 of each academic year. Individuals listed here were awarded tenure effective September 1, 2019 (during this past plan year).

The Total Minority category is comprised of Asian/Hawaiian/Other Pacific Islander, Black/African American, Hispanic/Latino, American Indian/Alaska Native and Two or More Races.
