

Minutes from the Academic Freedom Committee Meeting, 4.7.21

Present: Professors Clock and Chaparro

- I. We discussed the Registrar's response to our inquiry about F to WU grade requests.
 - A. We agreed that the response was thorough and informative, and we thank the Registrar.
 1. We hope that such clear information will be provided to all Faculty each semester to remind them of the very real possibilities of Audits, thus requiring the WU grade whenever a student has stopped attending classes.
- II. There was no new business to discuss, and Professor Clock will submit the Year End Report by early-May.

Respectfully submitted,
Professor Clock, Acting Chair.
