## PART ONE: INTRODUCTION AND BACKGROUND

---

This report is an annual update of the Affirmative Action Plan (AAP) for federal contractors. The U.S. Department of Labor's Office of Federal Contract Compliance Programs (OFCCP) oversees Affirmative Action Plan requirements for federal contractors. This unit is one of CUNY's Affirmative Action Establishments.

This plan reflects requirements for implementing:

- Presidential Executive Order (EO) 11246, addressing gender and federally protected racial/ethnic groups
- The Vietnam Era Veterans' Readjustment Assistance Act of 1974 (VEVRAA), as amended, for protected Veterans
- Section 503 of the Rehabilitation Act of 1973, as amended, for Individuals with Disabilities.

Some aspects of this plan also reflect state and local regulations, guidelines for public entities, CUNY Board resolutions, and CUNY policy.

The employee census date is **June 1, 2021**. The previous reporting year was **June 1, 2020 – May 31, 2021**. The program year for this plan is **September 1, 2021 – August 31, 2022**.

We address disruptions due to the 2020-2021 COVID-19 outbreak later in this report.

This Plan is available for public review as described on the title page.

We produce a separate Affirmative Action Plan for Italian Americans. CUNY's Chancellor designated Italian Americans as a protected group in 1976.

## OVERVIEW

### Location, Degrees, Accreditation

BMCC is a comprehensive two-year public community college. BMCC is a unit of The City University of New York (CUNY) serving the diverse needs of New York City students and the New York City community. The College continues its commitment to open enrollment, to the fulfillment of its educational mission, to the New York City community, and to providing quality post-secondary education to the graduates of New York City's high schools. BMCC's academic calendar consists of a 15-week fall semester, a 15-week spring semester, and two summer sessions.

The College awards three degrees: Associate in Arts (A.A.), Associate in Science (A.S.), and Associate in Applied Science (A.A.S.). It is an accredited member of the Middle States Commission on Higher Education and has also been accredited by the Board of Regents of the University of the State of New York. Additionally, the College's health programs are accredited by the Accreditation Commission for Education in Nursing, the Commission on Accreditation for Health Informatics and Information Management Education, the Committee on Accreditation for Respiratory Care, the Committee on Accreditation of Education Programs for the Emergency Medical Services Profession, and the Commission on Accreditation of Allied Health Educational Programs.

Located in the heart of downtown New York City, BMCC students actively participate in the artistic communities of Tribeca and SoHo, the dynamic downtown financial district, and the center of New York City government at City Hall.

The main campus of the college is situated on 4.28 acres of land in a building that was designed with the Hudson River harbor in mind — shaped like a ship with its helm pointed to the sea. It spans four blocks from Chambers Street to North Moore Street.

## History

BMCC was founded in 1963 and opened in 1964 as a small, primarily business-oriented community college offering programs aimed at the business community. Originally located on two floors of a commercial building in midtown Manhattan, the college focused on preparing students for business careers and on providing a liberal arts education to students who wished to transfer to four-year colleges. The college also created on-site training and management development courses for mid-level employees. BMCC has continuously modified its in-house and on-site programs.

During the next two decades, the mission of the college changed in response to the advent of open admissions at CUNY in 1970, and later in response to the emergence of new technologies and changes in business and industry. By 1974, enrollment had increased to over 6,000 day and evening students.

A new building spanning four city blocks, from Chambers Street to North Moore Street, was constructed in lower Manhattan to serve as the school's main campus. It opened in January of 1983. BMCC is the largest college in the CUNY system, with approximately 20,307<sup>1</sup> students, and is the first community college in Manhattan.

---

<sup>1</sup> The number of students is as of spring 2021.

Fiterman Hall was donated to the College in September 1993 as the largest single donation ever made to a community college. However, the building was severely damaged in the aftermath of the World Trade Center tragedy. After rebuilding, BMCC launched the 2012-2013 academic year with the opening of the rebuilt Miles and Shirley Fiterman Hall.

## **BMCC's Mission**

BMCC is a diverse teaching and learning community committed to advancing equity and the intellectual and personal growth of students. Working to strengthen a culture of care inside and outside the classroom, we share a passion for learning with students from around the world. We strive to increase degree completion, successful transfer, career achievement and service and leadership within our community, New York City, and beyond.

## **BMCC's Vision Statement**

BMCC will be nationally recognized for improving student learning and success, excellence in research and knowledge creation, and advancing socioeconomic mobility through the transformative power of education. BMCC faculty and staff are committed to strengthening our culture of care and take responsibility for creating the conditions under which all students can learn and all members of the BMCC community can thrive. Teaching and learning at BMCC, both inside and outside the classroom, is culturally responsive and sustaining, deeply engaging, and celebrates the rich diversity of experience and knowledge that the entire community brings to the College. Our students, faculty, staff, and alumni share great pride for BMCC, and for our role in creating a better, more equitable New York City.

## **BMCC's Values**

**Belonging:** Creating an environment in which all members feel welcome, that they are valued, and that they can succeed.

**Community:** Celebrating the uniqueness of individuals and groups; encouraging connection and participation; taking responsibility and caring for each other.

**Equity:** Working as an engine of upward social mobility to reduce barriers and improve academic, career, and personal success for all, particularly for individuals and groups with less advantage.

**Teaching and Learning:** Creating exceptional teaching and learning environments inside and outside the classroom; valuing the experience and knowledge students bring to the classroom and engaging

them in the construction of knowledge.

**Transformation:** Promoting intellectual, socioeconomic, and personal growth of students and communities; empowering students to improve their lives and the lives of their families; advancing justice through education.

## RELEVANT POLICIES

As a unit of The City University of New York (CUNY), BMCC adheres to federal, state, and city laws and regulations on non-discrimination and affirmative action, including Executive Order 11246, as amended, Titles VI and VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Sections 503 and 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, Section 402 of the Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended, the Equal Pay Act of 1963, the Age Discrimination in Employment Act of 1967, as amended, the Age Discrimination Act of 1975, New York State Human Rights Law and New York City Human Rights Law.

Protected groups identified in Executive Order 11246 are American Indian or Alaska Native, Asian, Black or African American, Hispanic or Latino, Native Hawaiian or Other Pacific Islander, Two or More Races, and Women. Additionally, the Chancellor of CUNY designated Italian Americans as a protected group in 1976 and CUNY prepared a separate Italian American Affirmative Action Plan.

CUNY posts its policies on non-discrimination, sexual misconduct, and affirmative action on its website.

### Equal Opportunity and Non-Discrimination Policy

The City University of New York ("University" or "CUNY"), located in a historically diverse municipality, is committed to a policy of equal employment and equal access in its educational programs and activities. Diversity, inclusion, and an environment free from discrimination are central to the mission of The University.

It is the policy of The University—applicable to all colleges and units— to recruit, employ, retain, promote, and provide benefits to employees (including paid and unpaid interns) and to admit and provide services for students without regard to race, color, creed, national origin, ethnicity, ancestry, religion, age, sex (including pregnancy, childbirth and related conditions), sexual orientation, gender, gender identity, marital status, partnership status, disability, genetic information, alienage, citizenship, military or veteran status, status as a victim of domestic violence/stalking/sex offenses, unemployment status, or any other legally prohibited basis in accordance with federal, state and city laws.

It is also The University's policy to provide reasonable accommodations to applicants, employees, and other persons on the basis of disability, religious practices, pregnancy

or childbirth-related medical conditions, or status as victims of domestic violence/stalking/sex offenses.

This Policy also prohibits retaliation for reporting or opposing discrimination, or cooperating with an investigation of a discrimination complaint.

## **Affirmative Action Policy**

CUNY's original Affirmative Action Policy of May 28, 1985 is part of its Manual of General Policy.

### **ARTICLE V FACULTY, STAFF, AND ADMINISTRATION**

#### **Policy 5.04 - Affirmative Action:**

RESOLVED, that the Board of Trustees of The City University of New York reaffirms its commitment to affirmative action and directs the Chancellery and the colleges to reemphasize the taking of the positive steps that will lead to recruiting, hiring, retaining, tenuring, and promoting increased numbers of qualified minorities and women. (Board of Trustees Minutes, 1985-05-28, Section 6-C)

## **Sexual Misconduct Policy**

CUNY's Policy on Sexual Misconduct addresses sexual harassment, gender-based harassment and sexual violence. It outlines procedures applicable to students and employees for addressing complaints.

Every member of The City University of New York ("CUNY") community, including students, employees and visitors, deserves the opportunity to live, learn and work free from Sexual Misconduct (sexual harassment, gender-based harassment, and sexual violence). Accordingly, CUNY is committed to:

Defining conduct that constitutes prohibited Sexual Misconduct;

Providing clear guidelines for students, employees and visitors on how to report incidents of Sexual Misconduct and a commitment that any complaints will be handled respectfully;

Promptly responding to and investigating allegations of Sexual Misconduct, pursuing disciplinary action when appropriate, referring the incident to local law enforcement when appropriate, and taking action to investigate and address any allegations of retaliation;

Providing ongoing assistance and support to students and employees who make allegations of Sexual Misconduct;

Providing awareness and prevention information on Sexual Misconduct, including widely disseminating this policy, as well as a “students’ bill of rights” and implementing training and educational programs on Sexual Misconduct to college constituencies; and

Gathering and analyzing information and data that will be reviewed in order to improve safety, reporting, responsiveness, and the resolution of incidents.

This is the sole policy at CUNY addressing Sexual Misconduct and is applicable at all colleges and units at the University. It will be interpreted in accordance with the principles of academic freedom adopted by CUNY’s Board of Trustees.

## Other Policies

It is our policy to recruit, employ, retain, promote, and provide benefits to employees and to admit and provide services for students without regard to race, color, national or ethnic origin, religion, age, sex, sexual orientation, gender identity, marital status, disability, genetic predisposition or carrier status, alienage, citizenship, military or veteran status, unemployment status or status as a victim of domestic violence.

Management reaffirms its non-discrimination policies annually. **Appendix B** contains the most recent reaffirmation letter, issued on September 30, 2021.

Other important policies available on CUNY’s “Policies and Resources” webpage include:

- Campus and Workplace Violence Policy
- Domestic Violence and the Workplace Policy
- Procedures for Implementing Reasonable Accommodations and Academic Adjustments

CUNY campuses report crime statistics, including statistics relating to sexual violence under the federal Jeanne Clery Act. Information is available from the campus [Public Safety Department](#).

## RESPONSIBILITY FOR IMPLEMENTATION

While the entire community participates in promoting diversity and inclusion, we have assigned certain specific responsibilities.

### The President

Dr. Anthony E. Munroe (hereinafter referred to as the President) oversees Affirmative Action and diversity programs to assure compliance with federal, state, and city laws, rules and regulations and

university policies.

The President designates personnel to manage Affirmative Action, diversity and compliance, including a Chief Diversity Officer (CDO), 504/Americans with Disabilities Act (ADA) Coordinator and Title IX Coordinator. The President ensures these personnel have authority, staffing, and other resources to fulfill their assigned responsibilities.

The President communicates a commitment to equal employment opportunity, issuing an annual reaffirmation of this commitment, and issues required reports, including this Affirmative Action Plan.

### **Chief Diversity Officer**

The President has designated Odelia Levy, Esq. as Chief Diversity Officer (CDO) and Responsible Official who:

- Provides confidential consultation for, investigates and resolves discrimination/harassment complaints
- Distributes policies, notices and revisions, and integrates them into training programs, search committee orientations, websites, and other communications
- Evaluates Affirmative Action programs and initiatives
- Prepares and communicates Affirmative Action Plan reports
- Consults with hiring teams and managers on recruitment and selection, overseeing recruitment plans and effective recruitment/selection strategies
- Participates in CUNY initiatives promoting diversity and inclusion.

### **Officials**

Executives, department chairpersons, managers, and supervisors are critical partners in Equal Employment and Affirmative Action programs. They help ensure compliance with regulations and policies, foster an inclusive environment, and help develop and implement the Affirmative Action Plan.

### **Committees on Diversity and Inclusion**

The college has a standing committee, the BMCC Race, Equity and Inclusion Steering Committee

(REI), which advises the President and Cabinet on actions needed to advance equity and inclusion as well as combat inequality in all its forms.

REI actively works to dismantle systemic racism and structural inequality across the BMCC community including students, faculty, staff, contractors, and collaborators. REI's goal is to develop actionable items for BMCC to prioritize, build upon, and institutionalize.

The changes REI seeks in regard to equity, inclusion and justice will require our collective work. REI commits to reach out to, embrace, and amplify the voices of all members of the BMCC community to design and implement mechanisms that hold BMCC, our leadership, our community and ourselves accountable. Working as the conscience of the College, REI's goal is to develop actionable items for BMCC to prioritize, build upon and institutionalize. We seek transformational change, for today and for the future.

The REI Steering Committee consists of five (5) subcommittees, led by a Convener/Chair. Each subcommittee identifies strategies for recommendation and implementation to cultivate a more diverse, equitable, and inclusive teaching and learning college community and directly address systematic, systemic, structured inequities. Informed by and building on the critical work of the Equity and Inclusion Task Force, REI has been charged with developing recommendations to strengthen institutional practices, processes, and policies and aiding the college in the implementation and monitoring of these recommendations.

## **University Management**

CUNY's University Office of Recruitment and Diversity (ORD) establishes job groups and report parameters, and reports summary statistics. ORD sponsors university-wide diversity programs described in this plan. ORD also maintains systems support for data collection (including self-

identification data) and job posting.

## **IMPACT OF COVID-RELATED EVENTS**

On March 15, 2020, CUNY Chancellor Felix Matos-Rodriguez announced that CUNY campuses and non-essential personnel were transitioning to remote learning and work for the remainder of the academic year. CUNY prepared to return in a hybrid capacity in late summer 2021. The transition and resulting shifts in priorities affect the university's operations in many ways. CUNY canceled or postponed some hiring plans. In addition, CUNY has limited or canceled public events and other activities that could not be conducted remotely.

Certain practices have continued unchanged. The Chief Diversity Officer has continued work on all major functions including:

- Complaint intake and investigation
- Accommodations for Individuals with Disabilities
- Recruitment advertising and outreach
- Oversight of hiring, advancement and separation practices
- Consulting to management.

BMCC's Repopulation Steering Committee, designated liaisons, and teams met throughout the year to discuss ongoing details impacting faculty and staff, including health protocols and facilities operations. Membership of the Steering Committee was expanded to include broader representation from faculty governance and union delegates to facilitate greater communication and understanding across the College. In addition, BMCC conducted community-wide Town Halls for both students and staff to communicate ongoing planning and implementation, obtain feedback, and address specific concerns from community members.

On May 18, 2021, BMCC held a College-Wide Open Forum to discuss plans for fall 2021. The open forum discussed facilities updates, enhanced safety protocols, and enhanced building programs and operations. On July 15, 2021, BMCC held a College-Wide Town Hall to discuss the College's repopulation plans for fall 2021. Additionally, the Office of Compliance and Diversity conducted webinars on reasonable accommodations, specifically relating to Covid-19 and working in a remote environment. On May 6, 2020, and May 7, 2020, the College's Office of Human Resources and the Office of Compliance and Diversity conducted a joint webinar regarding Covid-19 related accommodations for faculty and staff. The webinars provided employees with information and resources pertaining to reasonable accommodations and related best practices in a remote work/distance learning environment.

Further information is available on the BMCC Reimagining website: [Reimagining BMCC](#)

## PART TWO: DATA AND ANALYSIS

---

We analyze workforce data as mandated to promote a complete assessment, covering:

- Workforce Analysis (Evaluating employment within organizational units/departments)
- Analysis of job groups and academic disciplines
- Comparisons with labor market availability measures (utilization analysis)
- Reviews of Personnel Actions, Recruitment and Hiring, and Compensation.

We rely on methodologies provided by the US Department of Labor's Office of Contract Compliance Programs (OFCCP), in particular, the *Educational Institutions Technical Assistance Guide*.

### DATA SOURCES

This section describes how CUNY prepares data for this report.

#### Employee Data

On June 28, 2021, we extracted data on full-time employees active as of June 1, 2021 from CUNY's system of record, CUNYfirst. We include individuals on most paid leaves, including medical leave and fellowship/sabbatical leave. We do not include individuals on terminal leaves such as retirement leave, student workers (including Graduate Assistants) or individuals employed separately by CUNY's Research Foundation.

We invite employees to self-identify gender, race/ethnicity, veteran status, and disability status. Employees may update selections at any time on an Employee Self-Service portal. We last conducted a self-identification canvas in May 2018 via email. We provided a frequently asked questions document to explain the reasons for collecting this data and stressed that providing it is voluntary.

We also invite job applicants to self-identify on the job application portal.

#### Self-Identification Categories

We use the following categories to evaluate representation by race/ethnicity for the federal Affirmative Action plan:

- Total Minorities (all groups other than White, reported as a single category)
- Asian (consolidates Asian, Hawaiian, and Other Pacific Islander)

- Black/African American
- Hispanic/Latino
- White (not a protected group).

American Indian/Alaska Native and Two or More Races are included under Total Minorities but not separately reported.

If a person identifies as both Hispanic/Latino and another group, they are recorded as Hispanic/Latino, and not as Two or More Races.

Consistent with long-standing agreements, we ask employees to self-identify Italian American status, and create a separate Italian American Affirmative Action Plan.

To retain overall comparisons to individuals in federal categories and to prevent double counting, Italian Americans are not included in Total Minorities in either plan. If individuals indicate both Italian American and federally protected ethnicity categories, we default to the federally protected category, to prevent double counting.

We use federally mandated gender categories of male and female for purposes of this plan. Our system captures non-binary general identification, but only individuals specifically identifying as “female” are included in the federally protected gender category.

Of **1,374<sup>2</sup>** employees, **1** employee did not identify a gender, and **1** employee selected a gender other than male or female. Anyone who did not specify a gender and/or ethnicity is included in the Workforce Analysis but not assigned to a protected group. **Five hundred and Sixty-Seven (567)** employees did not identify a veteran status and **1,305** employees did not identify a disability status. Disability and veteran status are priorities for future self-identification campaigns.

## Labor Market Source Data

We compare the employee population with the Labor Market from which CUNY would reasonably recruit, train, or promote, by job group. We last updated Labor Market estimates in May 2019.

For internal candidates, we utilized lists of CUNY-wide appointments over the 2017-2018 and 2018 2019 periods for weighting and lists of feeder jobs, using the demographics of the candidate groups as of the June 1, 2018 employee census.

For external candidates, we utilized the US Census American Community Survey (ACS), 5-year

---

<sup>2</sup> The 1,374 figure includes the Chief Executive Officer – the College President. The Workforce Summary by Job Group and Category below lists the total number of employees as 1,373 because it excludes the Chief Executive Officer.

estimate, 2013-2017 (final), extracted from University of Minnesota's Integrated Public User Microdata Sample (iPUMS).

For faculty discipline-based estimates, we utilized the US Department of Education's National Center for Education Statistics' Integrated Postsecondary Education Data System (IPEDS) completion data, 2015-2016 (final). We use the Classification of Instructional Programs (CIP) to identify disciplines.

## **WORKFORCE ANALYSIS**

Workforce Analysis is a review of the representation of females and minorities by division, department and title, evaluating diversity by organizational unit rather than job group. We review the data organized by job title in order of rank or salary grade. We also review professorial faculty by tenure status within the department. Due to length, Workforce Analysis charts are not included here.

## **JOB GROUPS, DISCIPLINES, AND MARKET DATA**

### **Job Groups**

We analyze data according to groups of jobs with similar duties and qualifications. CUNY establishes job groups and reviews them annually, as detailed in **Appendix C**. A major input is the federal Standard Occupational Classification (SOC) system. We also combine job groups into categories based on the federal EEO-1 categories for some summary reports.

The next two pages provide a summary of staffing by job group, followed by a summary of professorial faculty by rank and tenure status.

## Academic Disciplines

With few exceptions, CUNY assigns faculty departments to disciplines as per the US Department of Education's Classification of Instructional Programs (CIP).

CUNY analyzes data about College Laboratory Technicians by assigning departments to either a Scientific/Engineering/Technical group or a General group.

**Appendix D** lists these assignments. This past year, there were no material changes to the discipline assignments.

## Labor Market Availability

Labor Market Availability is an estimate used to benchmark utilization of protected groups, by job group. It represents the proportion of each protected group available for employment in the labor market from which CUNY recruits (both internally and externally). CUNY last updated Labor Market Availability estimates in May 2019. **Appendix C** and **Appendix D** provide the basis for each calculation and details the factors we use. They cover the weighting of internal and external labor markets, geography, occupational qualifications, degree requirements, and academic discipline assignments.

## UTILIZATION ANALYSIS

We compare CUNY's workforce with estimated Labor Market Availability by job group. We evaluate utilization for females, major federal ethnicity categories (Asian, Black/African American, and Hispanic/Latino and Total Minorities).

We evaluate job groups with a minimum of five incumbents, with the caveat that analyzing groups of less than 30 employees may generate less reliable results.

The President's position reports outside of our establishment and is not included.

We report underutilization where the percent of individuals belonging to a protected group is less than 80% below the labor market estimate, and the difference is equal to at least one full-time equivalent employee.

**Appendix E** details utilization/underutilization in each category (job group and/or academic discipline). We consider job groups and disciplines for which there is underutilization as priorities for placement goals and enhanced outreach when there are hiring opportunities.

Year-to-year variations in underutilization arise from a combination of changes in availability, hires,

advancements, and separations. It is usually not possible to pinpoint a single, direct cause. In job groups with small numbers of employees, results may change substantially with small staffing changes.

The following pages summarize staffing and underutilization for each job group.

## Utilization, Underutilization, and Placement Goals

### Faculty

**Job Groups With Reduced Underutilization:** this job category had positive progress, in that underutilization of various underrepresented groups was either eliminated or decreased at the College. In the Biological and Biomedical Sciences and Physical Sciences discipline, underutilization of Black faculty members decreased in the Professoriate job group from 2 to 1. In the Education-Developmental discipline, underutilization of female faculty members decreased in the Professoriate job group from 7 to 6. In the Health Professions and Related Programs discipline, underutilization of Asian faculty members was eliminated in the Professoriate job group. In the Communications, Journalism, AND Visual/Performance Arts discipline, underutilization of Hispanic faculty members decreased in the Lecturer job group from 2 to 1. In the Education - Developmental discipline, the underutilization of female faculty members was eliminated in the Lecturer job group.

**Job Groups Without Underutilization:** As in the 2020-2021 plan year, there was no underutilization of female or minority employees in the Professoriate job group in the following disciplines: Business, Management, Marketing, and Support; Communication, Journalism, and Visual/Performance Arts; Education; English Language and Literature/Letters; Foreign Languages, Literatures, and Linguistics; Mathematics and Statistics; Social Sciences; and Library (Librarians/Non-Teaching.)

**Job Groups With Unchanged Underutilization:** In the Communication, Journalism, and Related Programs discipline, the underutilization of female faculty members and Asian faculty members in the Professoriate job group remained the same (at 3 and 1 respectively), due to a lack of hiring opportunities. In the Computer and Information Sciences and Support Services discipline, the underutilization of Black faculty members in the Professoriate job group remained the same (at 1, due to a lack of hiring opportunities. The underutilization of Black and Hispanic faculty members in the Education - Developmental discipline, specifically in the Professoriate job group, remained the same (at 2 and 2 respectively), due to a lack of hiring opportunities. In the Family and Consumer/Human Services discipline, underutilization of Asian faculty members in the Professoriate job group remained the same (at 1), due to lack of hiring opportunities. In the Visual and Performing Arts discipline, the underutilization of Black faculty members in the Professoriate job group remained the same (at 1), due to a lack of hiring opportunities.

In the Business, Management, Marketing and Support discipline, underutilization of Asian faculty members in the Lecturer job group remained the same (at 1), due to a lack of hiring opportunities. The Communication, Journalism, AND Visual/Performance Arts discipline continued to have underutilization of female faculty members and Asian faculty members in the Lecturer job group (at 2 and 1 respectively), due to a lack of hiring opportunities. In the Education-Developmental discipline, the underutilization of Asian faculty members in the Lecturer job group remained the

same (at 1), due to a lack of hiring opportunities. In the English Language and Literature/Letters discipline, the underutilization of Hispanic faculty members in the Lecturer job group remained the same (at 1), due to a lack of hiring opportunities. The Mathematics and Statistics discipline continued to have underutilization of Hispanic faculty members and female faculty members in the Lecturer job group (at 1 and 3 respectively), due to a lack of hiring opportunities.

**Job Groups With New Underutilization:** Underutilization of Hispanic faculty developed in the Health Professions and Related Programs discipline (underutilization of 1), specifically in the Professoriate job group. The hiring of two employees during the course of the plan year contributed to the development of the underutilization.

The College will make good faith efforts to improve these new and continuing areas of underutilization in the following plan year.

### **Executive/Administrative/Managerial**

In the Administration 1 (Executive) and Administration 2 (Managerial) job groups, underutilization of female and minority employees remained at zero.

The Managerial (Facilities) job group continued to have underutilization of Asian employees (at 1), due to a lack of hiring opportunities. The College will continue to make good faith efforts to improve this area of underutilization in the following plan year.

The Managerial (Security) job group continued to have underutilization of female employees and Black employees (at 1 and 1 respectively) due to a lack of hiring opportunities. ## **OTHER ANALYSES**

### **Personnel Activity**

We review personnel actions for adverse impact. This means that we compare rates of hiring, promotion, and termination of employees by gender and ethnicity and note material differences. We review activity for all job groups and report the results here for those groups with a material number of actions and/or applicants. **Appendix F** summarizes job actions, including tenure, by Gender and Ethnicity.

To estimate net changes by job group, we compare employee title changes between two reference dates (June 1, 2020, and June 1, 2021). We use this method to accommodate timing and issues in interpreting system data. This method produces a reasonable estimate but may leave out some actions, such as an employee changing job groups more than once over the year. We note hires, moves to a higher or lower job group, moves within a job group, and separations.

Similar to procedures in financial accounting, employees who leave one job group to take a position in another are reported as separated from one group and joining another. We consider transfers between CUNY units as a separation from one campus and a hire in the other.

Federal guidelines state adverse selection may occur when any one group (protected or not) has a selection rate less than 80% of the selection rate of the most-selected group.

Tenure is a permanent status granted to professorial faculty and College Laboratory Technicians. Lecturers are eligible for similar status, Certificate of Continuous Employment (CCE). Lecturers and College Laboratory Technicians are eligible after meeting service requirements. For professorial faculty, there are extensive reviews resulting in tenure recommendations to the President. We may hire some senior faculty with tenured status.

During the Plan Year, 44 employees gained tenure. Out of the 44 employees who gained tenure, 15 employees were minorities, and 26 employees were women.

**Appendix F** provides details of faculty receiving tenure/CCE status effective during the past plan year, covering those awarded tenures, hired with tenure (includes faculty rehired after long-term leaves), and denied tenure.

During the plan year, one employee was hired through a search waiver.

**Appendix F** also provides details of exceptions approved through a Search Waiver process. These hires represent situations where extraordinary circumstances made it highly unlikely that we could fill the position competitively. We also grant waivers for positions representing a transfer of funding sources. The Chief Diversity Officer and University management approve search waiver applications.

## **Recruiting Activity**

CUNY is committed to equitable practices to recruit a diverse and highly qualified workforce. The Chief Diversity Officer reviews applicant data and recruiting outcomes to determine if there is a need to adjust recruiting and outreach plans.

Prior to posting a job vacancy, the Chief Diversity Officer reviews Physical and Mental Qualifications

and posting language in general. They also review Recruiting Plans for intended outreach. We post open positions and Civil Services Notices of Exam on our careers page (for faculty, 30-60 days, and for staff, 14-30 days).

We invite candidates to self-identify gender, race/ethnicity, disability status, and veteran status and inform them that self-identification is voluntary.

We conduct most faculty and administrative hiring by appointing a diverse Search Committee for initial screening. The Chief Diversity Officer provides an orientation, or “charge,” to Search Committee members on effective selection practices, including practices aimed at reducing the potential for bias. The Chief Diversity Officer reviews applicant pools for sufficient representation and certifies pools prior to committee review, and reviews selections again as searches near completion. Committees refer finalist candidates to the hiring manager(s) for a final selection.

**Appendix G** summarizes recruiting and selection by job group for searches concluded with a job offer between June 1, 2020, and May 31, 2021.

As per federal Internet Applicant guidelines, an “applicant” is someone who applies to a specific opening, has the minimum qualifications, is considered, and does not withdraw. We analyze applicant pools and selection rates for interviews, offers, and hires.

We report all searches resulting in an offer during the previous plan year. For some searches, notably faculty, there is a time gap between offer and start dates. To avoid a lag in reporting, we include searches based on the date of an accepted job offer, even if the employee has not started work before June 1. This circumstance explains the differences between the personal (personnel?) activity reports and recruitment reports.

## Civil Service Hiring

We participated in **10** university-wide hiring pools for Classified Civil Service vacancies. Applicants who are pre-qualified based on an examination score indicate their interest in working at one or more units, and each establishment interviews and hires according to Civil Service regulations. We report those applicants expressing an interest in our unit at the hiring pools. CUNY's Office of Human Resources Management administers and validates Civil Service examinations and maintains records of applicants and exam results.

Hiring Pool	Date	Number of Hires
Campus Security Assistant	August 28, 2020 March 15, 2021 April 20, 2021 May 10, 2021	6 (2 Female; 4 Hispanic; 2 Black)
Campus Peace Officer	February 9, 2021 February 11, 2021	1 (1 Female; 1 Black)
Plumber	March 5, 2021 April 22, 2021	2 (1 Hispanic)
Mail Messenger Service Worker	April 30, 2021	3 (2 Hispanic; 1 Black)
Computer Systems Manager	September 11, 2020	1 (1 Asian)

## Compensation

We develop pay plans according to instructions provided in bargaining unit contracts, Civil Service regulations, Prevailing Wage Determinations, and university policies. Plans include the Executive Compensation Plan (ECP), Faculty and Non-Teaching Instructional Staff Pay Plan, Classified Civil Service Plans for Managerial and Non-Managerial Personnel, and Prevailing Wage schedules for Skilled Trades. CUNY's Trustees review and approve all pay plans.

The Chief Diversity Officer reviews overall practices such as:

- Setting of Starting Salaries
- Performance-Based Pay
- Pay Increases Upon Promotion
- Tracking of Compensation Decisions
- Document Retention
- Assignment of Overtime/Additional Assignments.

We review average salaries by job group and title and evaluate areas with a discrepancy of 5% or more for a material number of employees.

The Chief Diversity Officer reviews the compensation data on an annual basis near the conclusion of the Affirmative Action Plan year. The Office of Compliance and Diversity and the Human Resources Director discussed compensation best practices and areas of risk throughout the course of the Affirmative Action Plan year.

- Internal Audit and Reporting.

### PRIOR-YEAR PROGRAMS

Last year, we undertook the following to support Affirmative Action and create a climate of inclusion:

As noted earlier, events related to COVID-19 have limited certain implementation plans.

#### Summary of Campus Programs, 2020-2021

Program	Impact/Job Group
<b>Designing for Success: Reaching Greater Levels</b>	<b>BMCC Strategic Plan 2015-2020</b>  BMCC, in addition to conducting an environmental scan and reviewing institutional data, engaged more than 300 faculty, staff, and students in a series of facilitated conversations for 18 months to develop the 2015-2020 Strategic Plan <i>Reaching Greater Levels</i> . The comprehensive planning process resulted in a document that provided institutional context, trends and highlights, planning methodology, and a list of strategic goals, objectives, and outcomes. As part of the process, the College reviewed and revised its mission statement and institutional (strategic) goals to ensure that the

institution would hold itself accountable to supporting and improving student success through every stage of their educational journey at BMCC.

The plan included as a strategic goal a commitment to cultivating institutional transformation, innovation and sustainability (Strategic Goal 5). As part of this goal, BMCC aimed to expand professional development for faculty and staff to support improved teaching and learning, to support professional growth including research, scholarship, and creative activity, and to improve organizational effectiveness. Key performance indicators for this strategic goal included the following:

- Increased professional development opportunities focused on high-impact teaching practices
- Increased number of faculty participation
- Enhanced the Teaching Academy
- Increased number of targeted initiatives to support plan objectives
- Increased recognition and support for research, scholarship, and creative activity
- Increased professional development opportunities for staff
- Increased number of staff participating in professional growth programs

The plan included a set of [strategic outcomes](#) which represented the overall results that the plan was designed to achieve. There was a total of twenty outcomes, many of which were associated

	<p>with multiple goals and objectives. BMCC determined the 2015 baseline measures, where possible, for each of the outcomes as well as overall expectations regarding each outcome at the end of the plan.</p> <p>The 2015-2020 metrics saw improvement in faculty and staff satisfaction. Currently, faculty have reported higher satisfaction with interdisciplinary opportunities, support for research, and governance while staff has reported increased satisfaction in their personal and professional growth at the College.</p>
<b>Race, Equity and Inclusion (REI) Steering Committee</b>	<p>In October 2020, President Anthony Munroe created the Race, Equity and Inclusion (REI) steering committee. Race, Equity and Inclusion at BMCC is centered on understanding and addressing systemic racism to create a more equitable system for our community. The REI Steering Committee actively works to dismantle systemic racism and structural inequality across the BMCC Community including students, faculty, staff, contractors, and collaborators. As part of its mission, the REI Steering Committee is committed to reaching out to, embracing, and amplifying the voices of all members of the BMCC community to design and implement mechanisms that hold BMCC, our leadership, our community and ourselves accountable. REI's goal is to develop actionable items for BMCC to prioritize, build upon and institutionalize. Under the guidance of the BMCC President, the REI Steering Committee is dedicated to exploring ways to dismantle systemic racism and structural inequality by advancing equity, inclusion and justice for students, staff, faculty and our communities. REI's goals are to "move the needle" in a measurable, equitable and sustainable manner; to address systemic</p>

inequality and inequities; and to work to support all members of our campus community.

The REI Steering Committee consists of five (5) subcommittees:

- Subcommittee 1: Curating Resources/Synthesize and Summarize Data
- Subcommittee 2: Strengthen Curriculum and Pedagogy
- Subcommittee 3: Design Opportunities/Provide a Safe Space for College-wide Discussion
- Subcommittee 4: Inventory and Assess BMCC Programs
- Subcommittee 5: Review Institutional Practices

Each subcommittee identifies strategies for recommendation and implementation to cultivate a more diverse, equitable, and inclusive teaching and learning college community and directly address systematic, systemic, structured inequities. Informed by and building on the critical work of the Equity and Inclusion Task Force, this Steering Committee has been charged with developing recommendations to strengthen institutional practices, processes, and policies and aiding the college in the implementation and monitoring of these recommendations.

During the plan year, the REI Steering Committee held virtual town halls, designed to give the BMCC community a space to connect and support each other in the wake of race-related events and injustices. On May 26, 2021, a BMCC

	<p>virtual town hall organized by the REI task force drew over 100 members of the BMCC community to address the defacement with racial epithets on the windows of BMCC's Shirley Fiterman Art Center. One of two exhibitions seen through the Art Center's windows, "In the Line of Fire," by Mildred Howard, highlights Black soldiers in the first World War and the experience of Black men as targets of violence in America today.</p> <p>Conversations about Race, Equity, and Inclusion: On March 23, 2021, the REI Steering Committee partnered with the Center for Excellence in Teaching, Learning, and Scholarship (CETLS) to facilitate a discussion focused on the work that BMCC is undertaking to dismantle systemic racism and structural inequality across the college community. At this event, faculty members joined REI co-chairs and members in a conversation about proposed recommendations and strategies to advance equity, inclusion, and justice at BMCC and beyond, and mechanisms to hold BMCC, our leadership, our community, and ourselves accountable.</p>
<b>January Restart - Recharge, Reconnect, Restart</b>	<p>The January Restart event, held virtually on January 26-27, 2021, brought together faculty, staff, and students to explore trauma-informed pedagogy and anti-racist pedagogy in a way that encouraged everyone to reconnect with each other and renew their commitment to teaching and students.</p> <p>Participants attended interactive presentations, panels, and workshops,</p>

	<p>which included the following topics:</p> <ul style="list-style-type: none"> <li>• Towards Creating a More Inclusive, Culturally Competent, and Anti-Racist Curriculum - This presentation by Shirley Leyro, Social Sciences, Human Services, and Criminal Justice, focused on how faculty can work collectively towards anti-racism and encouraged faculty to have a frank and honest review of their pedagogical materials towards creating a more inclusive and culturally competent curriculum.</li> <li>• Dealing with Stress and Anxiety: Thriving in the Mess - This session brought participants together to discuss life/work stressors and how those have shifted and magnified in the world's current climate. --	---

	<p>regardless of discipline.</p> <ul style="list-style-type: none"> <li>• From Attacks on our Democracy to Engaged Global Citizens: the Promise of Higher Education - This session included a discussion on the history of voter suppression, white supremacy, and white power. <p><b>Center for Excellence in Teaching, Learning, and Scholarship (CETLS - BMCC)</b></p>	<p>CETLS-BMCC is a faculty-driven center that serves the BMCC community by providing a forum for faculty to develop as teachers and scholars and to serve as pedagogical leaders. CETLS fosters cross-disciplinary dialogue about pedagogy and scholarship and provides opportunities for faculty professional development. Culturally sustaining pedagogy and other asset-based pedagogies are woven throughout all CETLS programming focused on teaching and learning. CETLS provided the following workshops and seminars throughout the academic year.</p> <ul style="list-style-type: none"> <li>• Resilient Teaching: This workshop, which prepares faculty to teach remotely, provided a foundation for developing courses that consider the needs of students, evidence-based practices, and asset-based pedagogies (including trauma-informed pedagogy, culturally sustaining pedagogy, and universal</li> </ul>

	<p>design for learning). The workshops were facilitated by a team of BMCC faculty with experience in remote teaching and learning, as well as staff from CETLS and E-Learning.</p> <ul style="list-style-type: none"> <li>● Identity and Purpose - Student Lived Experience in the Classroom: This seminar, offered in January 2021 and June 2021, is part of the BMCC/Hunter College Asian American Native American Pacific Islander Serving Institution (AANAPISI) Bridge Initiative. Through guided discussions, guest speakers, and breakout rooms, seminar participants discussed and reflected on their students' learning experiences. Participants applied what they have learned by developing a teaching innovation that they will implement in their classrooms.</li> <li>● Introduction to Anti-Racist Pedagogy, March 8, 2021, and April 5, 2021: This two-part workshop, which included 40 faculty participants, provided a framework on how to become an anti-racist educator and provided space for participants to consider how to infuse anti-racist pedagogy into their curriculum and classroom practices. Participants considered what it means to be an anti-racist</li> </ul>

<b>Employee Sexual Misconduct Prevention and Response Course (E-SPARC)</b>	<p>Fostering employee growth and development is a critical component of the College's mission. All College employees were required to complete an annual online training program to learn about CUNY'S Sexual Misconduct Policy, the complaint process, and available resources. The Employee Sexual and Interpersonal Violence Prevention and Response Course (E-SPARC) is completed online.</p>
<b>National Association of Diversity Officers in Higher Education (NADOHE)</b>	<p>BMCC's Office of Compliance and Diversity continued its membership in the National Association of Diversity Officers in Higher Education (NADOHE). Forty-Six (46) personnel and budget committee members attended, representing six academic departments. The training highlighted how implicit bias can negatively impact the hiring process</p>

	<p>and equal opportunity in recruitment. Attendees were provided strategies to minimize implicit bias in the hiring process in order to strengthen the recruitment of diverse faculty.</p>
<b>EEO and Sexual Harassment Training for BMCC Community</b>	<p>The Office of Compliance and Diversity provided EEO, Sexual Harassment, and related best practices training to the following groups during the last plan year: new faculty, new students, peer mentors, and staff and faculty from various departments.</p>
<b>ADA Accommodations &amp; Best Practices Training</b>	<p>The College's Chief Diversity Officer continued to work closely with staff and Department Chairs to discuss strategies for promoting diversity and inclusion and implementing best practices, specifically tailored to meet the needs of their individual departments. <b>Women's Resource Center</b>	<p>BMCC's Women's Resource Center (WRC) supports and serves all BMCC students, staff, and faculty with a focus on women-identified students. Using intersectional feminism and social justice, WRC provides programs, resources, and advocacy for and about women's experiences, gender equity, and gender-based violence to empower all students in their academic, personal, and professional growth. Additionally, WRC encourages students to explore their identities, question societal norms, and dismantle oppressive</p>

structures to create a more just and inclusive campus community and society.

Throughout the plan year, WRC provided a robust program of events and learning opportunities for employees and students.

WRC hosted information sessions and workshops for Breast Cancer Awareness month, including a self-breast exam workshop with the Maurer Foundation and a breast cancer awareness exhibition gallery, entitled “Self-Love & Desire: Body Image & Sexuality After Breast Cancer and Positive Body Image of Breast Cancer Survivors.”

In November 2020, WRC hosted workshops and events promoting awareness of gender-based violence, including “Walk with Me Virtual Gathering,” a virtual gathering to raise awareness about domestic violence and show solidarity with survivors and victims of domestic violence, and Trans Day of Remembrance Vigil, an opportunity to come together and remember transgender people, gender-variant individuals, and those perceived to be transgender who has been murdered because of hate. Additionally, WRC hosted a safety planning workshop, in which attendees learned about planning safe and effective strategies to leave abusive relationships.

WRC also held events to promote professional growth and women’s health, such as “Women in Corporate Leadership - A conversation with Elizabeth Butson, BMCC Board Member and former Vice-President of Philip Morris International,” and a workshop on forms of contraception

	<p>with Dr. Jolaiya Faturoti.</p> <p>The Women's Resource Center also continued its work with the BMCC Safe Zone, a program geared towards providing support to members of the BMCC lesbian, gay, bisexual, transgender, and queer (LGBTQ) community and helping to create a more inclusive environment. The Safe Zone program is composed of faculty and staff volunteers who are committed to being allies and a source of support and information to individuals regardless of their sexual orientation or gender identity. It is a mode of outreach to LGBTQ students to make them feel welcome in all areas of the college. BMCC provides training for faculty and staff as part of the LGBTQ Safe Zone project once a semester.</p>
<b>LGBTQIA+</b>	<p>At BMCC, we seek to foster a supportive environment for all students, faculty, and staff who identify as members of the Lesbian, Gay, Bisexual, Transgender, and Queer (LGBTQIA+) community. We offer events, programs, and services focused on supporting and celebrating the LGBTQIA+ community, as well as educating the BMCC community on inclusion, allyship, and intersectionality.</p> <p>On April 23, 2021, the College presented <a href="#">SafeZone Training</a> to the College community. SafeZone Training explores how to be better allies and create a safe and inclusive space for the Queer Community at BMCC and beyond. The training explores LGBTQIA+ identities, gender, sexuality, and intersectionality while also examining prejudice, societal expectations, and privilege. The training</p>

also covers how to become a better ally and create a safe and inclusive space for the Queer Community at BMCC and beyond. Participants who complete the two-hour training receive a SafeZone certificate along with a SafeZone email signature logo to verify that they are SafeZone Trained. The training is open to BMCC students, faculty, and staff and is offered annually.

Pride Month: Although Pride Month is celebrated nationally in June, BMCC celebrates Pride Month in October since many campus members are away for summer break in June. The Pride Month Committee plans a robust and diverse month-long celebration of [Pride Month events](#) which are posted on our web calendar. Listed below are the various events BMCC held throughout the month of October 2020 to celebrate Pride Month 2020.

<b>Department of Ethnic and Race Studies</b>	<p>With approval from the CUNY Board of Trustees, effective January 29, 2021, BMCC's Department of Ethnic and Race Studies was established. The Department of Ethnic and Race Studies houses the Ethnic Studies program formerly administered by the Center for Ethnic Studies. The current climate underscores the strong need to educate our students and college community about, raise their awareness of, and imbue in them a respect for cultural diversity and its riches across the disciplines. The new department's mission is to create knowledge that reflects the histories, present experiences, and future visions of communities that have been marginalized because of race/ethnicity, gender, sexuality, and other forms of oppression. Rooted in the</p>

continuing legacies of social and political movements of the 1960s, ethnic studies employ critical and interdisciplinary approaches, challenges dominant power structures, and critically interrogate claims to objective and universal knowledge. Central to its mission is the production and dissemination of knowledge for the development of individual and social transformation. In addition, ethnic studies courses are an integral part of the BMCC Pathways to Degree Completion general education flexible core.

The strong interest in this area is evidenced by the steady growth in course offerings at BMCC in ethnic studies; they have tripled in the past decade and now serve approximately 5,500 students over the course of the academic year. Moreover, the creation of the academic department aligns with the college's Strategic Plan to improve student success, retention, and graduation through participation in an academic community and cohort experience. Furthermore, it provides the students with a rich cultural foundation that will prepare them for employment in a variety of fields, such as healthcare, business, and law. Additionally, it builds on and strengthens the relationship and bridge created through partnerships and articulation agreements secured with programs at senior institutions such as the one our ethnic studies program has with the BA in Latino Studies and the Latin American and Caribbean Studies program at Lehman College. Future partnerships may include the Interdisciplinary Studies program in the Interdisciplinary Studies Department at

	John Jay College, the Asian, Black, and Jewish Studies programs at City College to name a few.

## 2021-2022 PLANNED PROGRAMS

In this section, we affirm placement goals and key initiatives.

### Planned Campus Programs, 2021-2022

Program	Expected Impact/Job Group
Designing for Success: Taking What Works to Scale	<p><b>BMCC Strategic Plan 2020-2025</b></p> <p>With an understanding that BMCC seeks to improve student learning and educational outcomes not incrementally, but <i>dramatically</i>, four goals were developed to drive the <a href="#">Designing for Success Strategic Planning process</a>. As a result of the comprehensive two-year process, these goals were transitioned into overarching strategic priorities for the 2020-2025 strategic plan. A fifth priority was added both in recognition of the increasingly important role of the community college in leading societal change and as a result of the COVID 19 health crisis, corresponding economic downturn, and justice protests across the city, state, country, and world.</p> <p>The resulting strategic priorities for Designing for Success are:</p> <ul style="list-style-type: none"><li>● Improve retention to double degree completion rates, and increase successful transfer and baccalaureate attainment;</li><li>● Improve learning through culturally responsive and sustaining pedagogy and support;</li><li>● Expand career development leading to meaningful work with family-sustaining wages;</li><li>● Achieve equity in student outcomes</li></ul>

	<p>in a college community in which all members can thrive; and</p> <ul style="list-style-type: none"> <li>● Strengthen BMCC’s role in creating an equitably thriving NYC.</li> </ul> <p>In addition to implementing strategies designed to improve student learning and educational outcomes, the BMCC Strategic Plan 2020-2025 includes as a strategic goal (Strategic Goal 5) a commitment to strengthening a culture of care for faculty and staff. Planned strategic actions include:</p> <ul style="list-style-type: none"> <li>● Scale in-person and virtual programming and interventions to bolster a sense of belonging within the College community</li> <li>● Implement professional development activities and hiring practices for faculty and staff that prioritize strengthening the College’s culture of care in and outside the classroom</li> <li>● Partner with community-based organizations, business and industry, and governmental agencies to advocate for addressing and alleviating student, faculty, and staff basic needs</li> </ul> <p>Additionally, the strategic plan aims to strengthen BMCC’s role in a thriving New York City as a leading community college nationally (Strategic Goal 6). Planned strategic actions include:</p> <ul style="list-style-type: none"> <li>● Raise the profile of the college throughout New York City and beyond by celebrating alumni, faculty and staff research, and nationally recognized student success initiatives and programming</li> </ul>
--	--

	<ul style="list-style-type: none"> <li>● Utilize, support, and publicize faculty and staff research on student success to improve learning, retention, graduation, transfer, and other educational outcomes</li> <li>● Demonstrate leadership and a commitment to increase equity, foster inclusion, and dismantle systematic racism</li> </ul>
<b>Race, Equity and Inclusion (REI) Steering Committee</b>	<p>In the 2021-2022 plan year, the Race, Equity and Inclusion (REI) Steering Committee, described above, will continue pursuing its mission to dismantle systemic racism and structural inequality across the BMCC community in the following plan year. As part of its mission, the REI Steering Committee will continue its commitment to embracing and amplifying the voices of all members of the BMCC community to design and implement mechanisms that hold BMCC, our leadership, our community, and ourselves accountable. The REI Subcommittees will continue their work identifying strategies for recommendation and implementation to cultivate a more diverse, equitable, and inclusive teaching and learning college community and directly address systematic, systemic, structured inequities. Additionally, the REI Steering Committee will continue developing recommendations to strengthen institutional practices, processes, and policies and aiding the college in the implementation and monitoring of these recommendations.</p>
<b>President's Fund for Excellence and Innovation</b>	<p>The <a href="#"><u>President's Fund for Excellence and</u></a></p>

Innovation (the “Fund”) has been established through the generous contribution of philanthropist MacKenzie Scott, in recognition and support of the exceptional mission and success of BMCC. It is anticipated that as stewards of the Fund for future generations, the Fund will grow through other contributions and prudent investment. A large corpus of the Fund will be invested, with some amount of investment returns (and where appropriate some of the corpus) to be expended annually — when appropriate uses and projects are identified, including (but not limited to) those identified through this process.

The Fund will be utilized to boost BMCC’s efforts to improve student learning and success, enhance research and knowledge creation, and advance socioeconomic mobility through the transformative power of education. The Fund will support and allow for strategic investment in innovative projects, initiatives, and programming that advance the College’s mission, moves BMCC towards realization of the vision, and honors Ms. Scott’s desire to focus on basic needs, equity and inclusion, economic mobility, and support for the demographic population served by BMCC/ minoritized communities.

BMCC invited proposals for usage of these funds. Proposals were considered if they adhered to the guiding principles of the Fund, support the mission and vision of BMCC, and meet one or more of the following thematic areas of need:

	<p>Address student basic needs such as food and housing insecurity, homelessness, transportation, and/or college expenses;</p> <p>Improve student learning, support for student learning, and student engagement;</p> <p>Improve and reduce equity gaps in regard to student retention, transfer, and graduation rates;</p> <p>Incorporate career development and career exploration into academic, educational, and student success programming;</p> <p>Enhance existing or establish new academic, student support, or workforce programming designed to provide students with pathways to higher wage careers; and</p> <p>Contribute to institutional efforts aimed at improving and reducing equity gaps in New York City's social, economic, and health outcomes.</p> <p>In addition, the impact of the proposal had to be measurable, and only proposals that committed to having a direct impact on student retention and success were considered.</p>

<p><b>Anti-Racist Pedagogy Summer Workshops and Faculty/Student Fellowships</b></p>	<p>The Anti-Racist Pedagogy Summer Workshops and Faculty/Student Fellowships were one of seven team projects that were awarded funding via the above Fund.</p> <p>The Anti-Racist Pedagogy Working Group in collaboration with CETLS seeks to implement projects beginning Summer 2021 with ongoing faculty and student development throughout the 2021-2022 academic year. This project builds on the highly successful Anti-Racist Pedagogy workshop series offered through CETLS in Spring 2021 and attended by over 60 faculty members. Participants expressed a strong need for a more extensive exploration of the topic of anti-racist pedagogy. The team plans to expand this work throughout Summer 2021 into Spring 2022. The overall objective of this proposed project is to increase awareness and implementation of anti-racist pedagogical practices at BMCC which aligns with the strategic goal to “increase equity, foster inclusion, and dismantle systematic racism.” The team emphasizes the need to do extensive exploration of the topics of race, racism, racial identity, anti-racism, and anti-racist pedagogy throughout a summer workshop and to offer programming through CETLS and coaching for faculty throughout the Fall and Spring semesters.</p>
<p><b>Social Justice &amp; Equity Centers</b></p>	<p>Social Justice &amp; Equity Centers was one of seven team projects awarded funding from the <a href="#">President’s Fund for Excellence and Innovation</a>, described above.</p> <p>The Women’s Resource Center (WRC) seeks to continue the journey towards</p>

	<p>social change, expand and elevate diversity, equity and inclusion through social justice initiatives at BMCC. Funding will establish The Social Justice &amp; Equity Centers (SJEC), an umbrella department housing the already established WRC, a new Multicultural Center (MCC), Pride Center (PC), and Social Justice Programs (SJP). The SJEC will use inter-community (for) and intra-community (about) programming models resulting in the overall communal advancement of BMCC. The Centers will provide space for and about Black, indigenous, and students of color (BIPOC), women, queer, undocumented, and marginalized students, while also educating the BMCC community with agent identities on allyship, diversity, power, and privilege. Proposed activities include affinity/dialogue series, cultural celebrations, undocu-ally training, speaker series, and an institutionalized SafeZone Training.</p>
<b>Black Studies Across the Americas</b>	<p>The Department of Ethnic and Race Studies is partnering with the Office of Internships and Experiential Learning for a collaborative international research program, “Black Studies Across the Americas.” In this hybrid program, which is an award recipient of the <a href="#"><u>President’s Fund for Excellence and Innovation</u></a>, described above, cohorts of Department of Ethnic and Race Studies faculty, faculty from fields not traditionally associated with Ethnic and Race Studies (Business, Mathematics, Science, and CIS), BMCC students, and students from international institutions in Latin America will work together to complete research</p>

	<p>projects in Black Studies and create educational outcomes that will benefit their respective communities (websites, course assignments, projects, resources, or presentation materials). Potential collaborating institutions are located in sites where we have established relationships through study abroad and which serve Afro-descendant populations: Argentina, Brazil, the Dominican Republic, and Peru. Faculty will be recruited across departments to mentor students throughout their research and BMCC students will receive stipends for their participation and students abroad will also receive support through their respective institutions, which will be provided with funds. This project was awarded \$125,000 and has a projected timeline of one year.</p>

## ONGOING ACTIVITIES

The College's programs benefit from additional University-wide recruitment, diversity, and compliance programs. The University:

- Sends job postings to State Workforce Agencies and Veterans' career centers
- Maintains consolidated advertising programs, including job boards serving Veterans, Individuals with Disabilities, women, and protected minority groups
- Maintains social media accounts for recruitment and employment branding
- Advertises and administers Civil Service examinations
- Publishes guides and training materials on effective recruiting and selection
- Publishes an annual notice of non-discrimination in the New York Times newspaper
- Provides training and ongoing updates to Chief Diversity Officers.

In 2020-2021, the University continues to implement a University-wide online training program for faculty and staff on sexual harassment prevention. CUNY utilizes the online E-SPARC training program which is described earlier in this plan.

Recruitment policies support developing diverse applicant pools through:

- Required posting of open positions and of Civil Service Notices of Exam; typical faculty vacancies are posted for 30-60 days and administrative vacancies are posted for 14-30 days
- Collection of all applications into a single automated system where pre-established screening practices relevant to the specific function may be applied
- A job application process where candidates are automatically invited to self-identify race/ethnicity, gender, veteran status, and disability status; data is kept confidential and used to analyze the composition of applicant pools
- For many positions, a committee recruiting process by which a diverse team evaluates candidates according to consistent criteria and job-related interview questions
- An annual survey of newly appointed employees to identify potential areas of concern in how the College communicates with its candidates.

BMCC continues to broaden the College's diversity recruitment and outreach efforts to hire and retain faculty and staff members. The Chief Diversity Officer and Digital Recruiter coordinate resources to ensure that diversity outreach efforts to recruit faculty members are effective and strategic. This collaboration allows the Digital Recruiter to engage in targeted outreach and address underutilization in an impactful manner. The Digital Recruiter utilizes online tools, including social

media recruitment opportunities on LinkedIn and Twitter, to establish BMCC as an employer of choice and to distribute BMCC faculty and staff opportunities to a broad range of diverse recruitment sources. For example, when utilizing LinkedIn and Twitter for faculty applicant sourcing, the job opportunities are sent to diversity groups, including, but not limited to, Hispanic Professionals, National Black MBA Association, National Association of Asian American Professionals, Woman 2 Woman Business, Professionals with Disabilities, National Italian American Foundation, Recruit Military, Black Career Women's Network, and Minority Nurses. This ensures that faculty and staff openings are widely distributed to a diverse applicant pool.

Furthermore, the College also posts faculty and staff positions on the following diversity recruitment websites: Hispanic Outlook, Chronicle of Higher Education, Diverse Issues, Women For Hire, AcademicCareers.com, HigherEdJobs, and Howard University. BMCC also posted employment opportunities on the following job sites: Workforce Recruitment Program, Association of University Centers on Disabilities, NYC: ATWORK, and Vetjobs.

In addition to the foregoing, the Chief Diversity Officer makes the Affirmative Action Plan available for public inspection and posts and distributes notices of non-discrimination policies, changes in regulations, and compliance information. Additionally, the Chief Diversity Officer integrates compliance information into training programs for faculty, students, and staff.

The Office of Compliance and Diversity reviews job postings to ensure that they are consistent with CUNY's policies on equal opportunity. Before positions are posted, the Office of Compliance and Diversity works with the hiring managers to develop a strategic diversity recruitment plan.

Additionally, the Office of Compliance and Diversity reviews applicant pools to ensure that each pool includes a diverse range of applicants from various races/ethnicities and genders. The Office of Compliance and Diversity also meets with all search committees for a charge to review CUNY's equal opportunity and non-discrimination policies as well as affirmative action obligations, as well as best practices for minimizing implicit bias and promoting equal opportunity in the hiring process.

In August 2019, the Digital Recruiter transferred from the Office of Human Resources to the Office of Compliance and Diversity. This restructuring has enhanced the Digital Recruiter's ability to work closely with the Chief Diversity Officer to create and improve strategies to promote diversity in recruitment. For example, the Chief Diversity Officer developed a process that focuses on providing faculty and staff with outreach opportunities and on best practices for strategic diversity recruitment. As part of this strategic focus, the Digital Recruiter works closely with hiring managers to engage in targeted recruitment for individual job opportunities before a position is posted, with the goal of ensuring strategic diversity recruitment outreach and improving areas of underutilization for each department.

The Office of Compliance and Diversity provided EEO and Sexual Harassment training to the

following groups during the last plan year: new faculty, new and transfer students, peer mentors, and various faculty and staff departments. During the course of the plan year, the Office of Compliance and Diversity provided in-person training to, approximately, **64** students and **386** employees.

In spring 2020, the Office of Compliance and Diversity partnered with the Office of Human Resources to present training on disability accommodations to faculty and staff. The training focused on the process for requesting reasonable accommodations in light of COVID-19. The Office of Compliance and Diversity also provided guidance to campus departments on how to process accommodation requests during COVID-19 and during remote work. The Office of Compliance and Diversity also provided guidance on reopening plans for members of vulnerable populations.

During the last plan year, the College's Chief Diversity Officer continued to work closely with Department Chairs and managers to discuss strategies for promoting diversity and inclusion and implementing best practices, specifically tailored to meet the needs of their individual departments. In spring 2021, the Chief Diversity Officer presented ADA Accommodations & Best Practices training. On January 12, 2021, and June 2, 2021, the Chief Diversity Officer, in partnership with the Associate Dean of Faculty and the Director of Faculty Appointments, presented a training titled, "Recruiting and Retaining a Diverse Faculty," to departmental personnel and budget committees. **Forty-Six (46)** personnel and budget committee members attended, representing six academic departments that planned to engage in hiring. The training highlighted how implicit bias can negatively impact the hiring process and equal opportunity in recruitment. Attendees were provided strategies to minimize implicit bias in the hiring process in order to strengthen the recruitment of diverse faculty.

During the course of the last plan year, BMCC sponsored multiple events to celebrate the diversity on our campus. This included sponsoring heritage months, which included activities ranging from exhibits and discussions to films and speakers:

- Collecting applications in a single system where pre-established screening practices may be applied
- Inviting candidates to self-identify race/ethnicity, gender, veteran status, and disability status when applying; data is kept confidential and used to analyze applicant pools

- For many positions, a diverse Search Committee evaluates candidates according to consistent, job-related criteria.

## **INTERNAL AUDIT AND REPORTING**

The Chief Diversity Officer posts and distributes notices of policies, new/revised regulations, and similar compliance information, and makes the Affirmative Action Plan available for public inspection. The CDO integrates compliance information into faculty, student, and staff training programs.

### **EQUAL OPPORTUNITY AND NON-DISCRIMINATION POLICY**

The City University of New York (“University” or “CUNY”), located in a historically diverse municipality, is committed to a policy of equal employment and equal access in its educational programs and activities. Diversity, inclusion, and an environment free from discrimination are central to the mission of The University.

It is the policy of The University—applicable to all colleges and units— to recruit, employ, retain, promote, and provide benefits to employees (including paid and unpaid interns) and to admit and provide services for students without regard to race, color, creed, national origin, ethnicity, ancestry, religion, age, sex (including pregnancy, childbirth and related conditions), sexual orientation, gender, gender identity, marital status, partnership status, disability, genetic information, alienage, citizenship, military or veteran status, status as a victim of domestic violence/stalking/sex offenses, unemployment status, or any other legally prohibited basis in accordance with federal, state and city laws.

It is also The University’s policy to provide reasonable accommodations to applicants,

employees and other persons on the basis of disability, religious practices, pregnancy or childbirth-related medical conditions, or status as victims of domestic violence/stalking/sex offenses.

This Policy also prohibits retaliation for reporting or opposing discrimination, or cooperating with an investigation of a discrimination complaint.

The City University of New York is committed to a policy of equal employment and equal access in its educational programs and other activities. Diversity, inclusion, and an environment free from discrimination are central to CUNY's mission. CUNY posts its policies on non-discrimination, sexual misconduct, and affirmative action on its website. We have posted these policies on the internet.

## **REVIEW OF PERSONNEL PROCESSES**

We seek to ensure personnel processes support equal employment opportunity for employees and applicants who are Individuals with Disabilities and/or Protected Veterans. We periodically review practices for potential barriers to employment, training, and promotion.

Personnel practices do not stereotype Individuals with Disabilities or Protected Veterans or otherwise limit access to employment. We include Individuals with Disabilities and Veterans in media such as college publications and websites.

We invite employees to self-identify through an online self-service system. We invite applicants to self-identify through CUNY's online applicant tracking system.

CUNY maintains appropriate security measures for the confidentiality of personal data.

CUNY last conducted a self-identification campaign in 2018.

## **REVIEW OF PHYSICAL AND MENTAL QUALIFICATIONS**

We ensure physical and mental qualifications are job-related and consistent with business necessity and safety. We periodically review physical and mental qualifications as they relate to employment, training, and promotion.

We review position requirements before listing a job vacancy. We review any new job qualifications or conditions to ensure they would not screen out qualified Individuals with Disabilities or Protected

Veterans.

CUNY's Civil Service unit reviews job requirements prior to issuing new or revised Civil Service job descriptions. The university also provides a checklist for planning a recruiting effort with a sign-off on job requirements.

## REASONABLE ACCOMMODATIONS

BMCC provides reasonable accommodations to Individuals with Disabilities and Disabled Veterans in employment matters. As per the policy on Implementing Reasonable Accommodation and Academic Adjustments, Human Resources Directors are responsible for responding to accommodation requests by applicants, employees, contractors, visitors, and others.

The contact for accommodation requests is:

Name: Gloria Chao  
Title: Executive Director of Human Resources  
Phone: (212) 220-8304  
Email: [gchao@bmcc.cuny.edu](mailto:gchao@bmcc.cuny.edu)

We have posted the Procedures for Implementing Reasonable Accommodation and Academic Adjustments on our website.

<https://www.cuny.edu/about/administration/offices/legal-affairs/policies-resources/>

Information for applicants for employment is provided on the Employment Page of the CUNY Website and at the [BMCC Human Resources Policies](#). There is also a link at the bottom of each job posting on <https://cuny.jobs>, which directs the candidate to our accessibility page. Applicants may also contact the Office of Recruitment and Diversity at [jobs@cuny.edu](mailto:jobs@cuny.edu).

We provide reasonable accommodations to individuals based on: disability; pregnancy, childbirth, or a medical condition related to pregnancy or childbirth; religious practice; and status as a victim of domestic violence, sex offense, or stalking.

This past year:

- While recognizing requests may be resolved informally, BMCC's Office of Human Resources documented 9 formal employee accommodation requests. At this time there are no outstanding appeals.
- BMCC's Office of Human Resources did not receive any job applicant accommodation

requests from applicants.

## HARASSMENT PREVENTION

CUNY has developed anti-harassment policies and procedures concerning Individuals with Disabilities and Protected Veterans. The 504/ADA Coordinator reviews personnel practices to ensure access and non-discrimination for Individuals with Disabilities. The Chief Diversity Officer reviews practices for Veterans.

## EXTERNAL POLICY DISSEMINATION

Each job vacancy announcement includes a summary of CUNY's policy.

As noted above, CUNY posts its Non-Discrimination Policy on its employment website (Click for CUNY's Employment Page <https://www.cuny.edu/employment>).

CUNY's Office of Labor Relations provides an annual notice of our policies to labor unions. Our establishment (or the university, as appropriate) sends written notice of the Affirmative Action Policy to subcontractors, vendors, and suppliers, requesting compliance.

## OUTREACH AND POSITIVE RECRUITING

## **IMPLEMENTATION RESPONSIBILITY**

As part of its efforts to ensure equal employment opportunities to Disabled Veterans, other Veterans, and Individuals with Disabilities, we have designated specific responsibilities.

### **The President**

President Munroe oversees Affirmative Action and compliance programs. The President appoints a 504/ADA Coordinator to oversee compliance and provides support and resources for Affirmative Action and compliance. The 504/ADA Coordinator and the Chief Diversity Officer report issues uncovered in interview reviews to the President who oversees appropriate responses.

### **504/ADA Coordinator**

As 504/ADA Coordinator, Odelia Levy, Esq.:

- Monitors 504/ADA compliance
- Reviews and resolve issues such as disputed accommodation decisions
- Maintains records of accommodation requests and outcomes
- Ensures records are stored securely and confidentiality is maintained
- Provides training as needed on issues related to Individuals with Disabilities.

### **Other Officials**

Other officials assume help assure compliance with regulations through working with management to fund, identify and implement accommodations and other accessibility improvements.

For example, BMCC's Veterans Resource Center and Office of Accessibility provide important resources and information for veterans and individuals with disabilities, respectively. The offices provide resources for career opportunities and reasonable accommodations. The 504/ADA Coordinator also works closely with Human Resources and other stakeholders.

## University Management

CUNY's Office of Recruitment and Diversity manages systems that capture self-identification data and provides data support to the campuses. The Office also administers CUNY's 55(a) program to provide opportunities in Civil Service positions to Individuals with Disabilities.

## TRAINING

We assure individuals involved with recruitment, selection, promotion, disciplinary actions, training, and similar activities receive an orientation on relevant rules and regulations and the Affirmative Action Plan. Employees involved with recruitment, selection, promotion, disciplinary actions, training, and related processes for Individuals with Disabilities or Veterans are acquainted with the College's Affirmative Action Program. CUNY's Office of Recruitment and Diversity and the Office of Professional Development and Learning Management provide training opportunities to help employees maximize their personal and workplace effectiveness, including Diversity Training courses.

The Office of Compliance and Diversity presents sexual harassment, Title IX, and EEO training for employees throughout the academic year. The training includes information about reasonable accommodations and equal opportunities for veterans and individuals with disabilities. Additionally, the College continues to ensure that search committees are incorporating best practices in the diversity recruitment realm. The Office of Compliance and Diversity also includes information on best practices for interviewing applicants with disabilities when charging search committees.

BMCC personnel regularly participate in webinars and training regarding best practices in faculty diversity recruitment. These recruitment efforts are designed to further enhance BMCC's faculty applicant pools of underrepresented groups. BMCC personnel attended training, which focused on best practices for diversity recruitment, including, but not limited to the following:

## REAFFIRMATION OF COMMITMENT TO AFFIRMATIVE ACTION, EQUAL OPPORTUNITY, DIVERSITY, AND INCLUSION

The Borough of Manhattan Community College and the City University of New York (CUNY) are strongly committed to affirmative action, equal opportunity and diversity and inclusion. At BMCC, we value the rich diversity of experience and knowledge that the entire community brings to the College. BMCC prides itself on being a diverse teaching and learning community committed to advancing equity and the intellectual and personal growth of students.

We are all enriched and strengthened by this rich diversity of backgrounds, perspectives, and ideas. I strongly support the policies and practices that we have implemented to foster non-discrimination, affirmative action, and diversity and inclusion in the workplace and in the classroom. Consequently, I reaffirm BMCC's commitment, and my own commitment, to the principles of affirmative action, equal opportunity, diversity, and inclusion at BMCC. The CUNY Policy on Equal Opportunity and Non-Discrimination, as well as the CUNY Policy on Sexual Misconduct, include our commitment to recruit, employ, retain, promote, and provide benefits to employees (and applicants) and to admit and provide services for students without discriminating on the basis of actual or perceived race, color, creed, national origin, ethnicity, ancestry, religion, age, sex, sexual orientation, gender, gender identity, marital status, partnership status, disability, genetic information, alienage, citizenship, military or veteran status, pregnancy, status as a victim of domestic violence/stalking/sex offenses, unemployment status, caregiver or familial status, prior record of arrest or conviction, or any other legally prohibited basis in accordance with federal, state, and city laws. Sexual harassment, a form of sex discrimination, is also prohibited. Furthermore, retaliation is strictly prohibited.

As federal contractors, CUNY and BMCC engage in affirmative action consistent with Executive Order 11246. In addition to the protected groups delineated in Executive Order 11246, Italian-Americans are also included as a protected group in a separate Affirmative Action Plan.

I have assigned the responsibility for the implementation and monitoring of our compliance program to the Chief Diversity Officer and Special Advisor to the President, Odelia Levy, who serves as the 504/ADA Coordinator and Title IX Coordinator, and to Theresa Wade, Deputy Director of Diversity & Title IX Compliance. The vice presidents, deans, directors, managers and supervisors all share an ongoing responsibility for ensuring our compliance with these policies and laws. The Chief Diversity Officer and Deputy Director oversee the investigation of internal complaints of unlawful discrimination or harassment. The Office of Compliance and Diversity is located at 199 Chambers Street, Room S701. If you have a complaint of unlawful discrimination, unlawful harassment, or retaliation, including sexual harassment, or would like additional information, please contact the Chief Diversity Officer at [OLevy@bmcc.cuny.edu](mailto:OLevy@bmcc.cuny.edu) or at 212-220-1236 or the Deputy Director at [TWade@bmcc.cuny.edu](mailto:TWade@bmcc.cuny.edu) or at 212-220-1273.

I invite you to visit the BMCC and CUNY websites to learn more about our policies pertaining to unlawful discrimination and harassment, including sexual harassment, and retaliation, including the [CUNY Equal Opportunity and Non-Discrimination Policy](#) and the [CUNY Policy on Sexual Misconduct](#). Additional information about external agencies handling complaints of unlawful discrimination and harassment as well as other policies are available on the Office of Compliance and Diversity [website](#).

BMCC remains committed to promoting diversity and equal opportunity. These initiatives foster an environment in which all members feel welcome, that they are valued, and that they can succeed. A core BMCC value is equity, working as an engine of upward social mobility to reduce barriers and improve academic, career and personal success for all, particularly for individuals and groups that have been marginalized. I ask for your continued support to ensure affirmative action, equal opportunity, diversity, and inclusion in all programs and practices at BMCC.

Sincerely,

Anthony E. Munroe  
President, Borough of Manhattan Community College

## Appendix C      Job Group Summary

This Appendix contains a summary of Job Groups.

This report lists those CUNY job groups for which the college has employees. Labor Market Availability factors (LMA) are listed for each group. LMA Factor 1 is the external Labor Market measure. LMA Factor 2 is an internal factor for employees who could be recruited or promoted into the group based on historical data for CUNY overall).

Groups with fewer than five employees are listed here but will not be included in Utilization Analysis worksheets. Individuals in the Chief Executive role are not included in this report.

Titles added to CUNY's job system in the past year are listed at the end of this Appendix. Not all titles were utilized by the College.

Further details on Job Groups and Labor Market Availability are provided in the Narrative.

Full Time Employee Count (excludes Chief Executive): 1,373

Labor Market Availability is an estimate used to benchmark utilization by job group. It represents the proportion of each protected group available for employment in the labor market from which CUNY recruits, internally and externally. CUNY typically reviews Labor Market Availability every other year. We utilize the following factors:

**Weighting of Internal/External Labor Market**

The internal labor market is university-wide and currently reflects the full-time employee population. We produce a weighted estimate based on 2016-2017 and 2017-2018 job moves of CUNY employees. We also identify typical feeder jobs and other conditions, such as permanency status.

**Geography**

We base geographic factors on both CUNY policy and actual hiring experience.

- National labor market for Administration 1 (Executive), Faculty–Professorial, and Faculty–Instructor.
- Two-state region (New York and New Jersey) for Faculty-Lecturer. IPEDS completion data is only available by State and recruiting is regional rather than national.
- New York State-only labor market where New York State residency is required by statute:
  - College Security Assistant
  - Campus Peace Officer
  - Campus Public Safety Sergeant
  - Security Manager.
- New York/New Jersey Metropolitan Statistical Area (MSA) for remaining job groups. A review of hires in 2018-2019 indicated 98.6% of new hires in these groups reside within this MSA. This area represents a large and highly diverse population.

**Qualifications for Non-Collegiate Faculty:**

- Occupational Group: Standard Occupational Classifications assigned to every job title, matched to Census Occupational Codes.
- Degree Requirements: the minimum requirement for the lowest-ranked job in each job group. These range from none through Master's level.
- Experience: where there is a requirement for a specific number of years of experience, we used age as a proxy, utilizing US Census standards; for example, a Bachelor's degree assumes a standard age of 21, and a Bachelor's degree plus four years of experience would correspond to a minimum age of 25.

**Qualifications for Collegiate Faculty**: we assign titles to Professorial, Instructor, or Lecturer job groups according to rank and calculate availability based on a combination of degree requirement and academic discipline.

- Degree Requirements:
  - Professorial: Doctoral Degree
  - Instructor: Master's Degree
  - Lecturer: Bachelor's or Master's Degree.
- Discipline: assigned to each faculty department using the US Department of Education's Classification of Instructional Programs (CIP). On an exception basis, we calculate a blended labor market availability or make individual discipline assignments.

## Appendix E-1      Utilization Analysis -Staff Job Groups

This Appendix provides a utilization analysis for each staff job group that has five or more employees.

Underutilization occurs where the utilization of a protected group is less than 80% of Labor Market Availability. We calculate a number approximating the number of full-time employees that would be needed to make utilization equal to the labor market. Where utilization is zero (0), underutilization exists but not to the level of one full-time equivalent employee. Blanks indicate no underutilization.

Underutilization numbers for females and total minorities represent placement goals as prescribed for federal Affirmative Action Plans.

Total Minority is comprised of Asian/Hawaiian/Other Pacific Islander, Black/African American, Hispanic/Latino, American Indian/Alaska Native and Two or More Races.

## **Appendix E-2      Utilization Analysis - College Laboratory Technicians**

This Appendix provides a utilization analysis for College Laboratory Technicians in groups with five or more employees.

Underutilization occurs where utilization of a given group is less than 80% of Labor Market Availability. We calculate a number approximating the number of full-time employees that would be needed to make utilization equal to the labor market. When this number is zero (0), underutilization exists but not to the level of one full-time equivalent employee. Blanks represent no underutilization.

Underutilization numbers for females and total minorities represent specific placement goals as prescribed for federal Affirmative Action Plans.

Total Minority is comprised of Asian/Hawaiian/Other Pacific Islander, Black/African American, Hispanic/Latino, American Indian/Alaska Native, and Two or More Races.

This Appendix provides a utilization analysis for Faculty for each Discipline and Job Group where there are five or more employees.

Underutilization occurs where the utilization of a protected group is less than 80% of Labor Market Availability. We calculate a number approximating the number of full-time employees that would be needed to make utilization equal to the labor market. Where utilization is zero (0), underutilization exists but not to the level of one full-time equivalent employee. Blanks indicate no underutilization.

Underutilization numbers for females and total minorities represent specific placement goals as prescribed for federal Affirmative Action Plans. Note that the official underutilization measures are those calculated for the academic discipline, which may comprise more than one department.

Total Minority is comprised of Asian/Hawaiian/Other Pacific Islander, Black/African American, Hispanic/Latino, American Indian/Alaska Native and Two or More Races.
