"DFWI Cohort" refers to the number of students within a specific cohort that received at least one DFWI grade (D, F, R, INC, NC, W, WD, WN, WU) during the first fall semester.

"Retained Other CUNY N" refers to all students who transferred out of BMCC and to another CUNY college prior to graduating.

"Total Success N" is calculated by summing "Retained BMCC," "Retained Other CUNY," and "Earned Degree BMCC."

Included are full-time and part-time students.

"Retained Other CUNY N" includes all students who transferred out of BMCC and to another CUNY college prior to graduating.

"Total Success N" is calculated by summing "Retained BMCC," "Retained Other CUNY," and "Earned Degree BMCC."

\* Reported number is very small and it is impossible to draw conclusions about trends for this group.

"Initial Major" refers to the declared major during the first fall semester; Nursing cohort definition is different from freshmen cohort, so major of nursing is not reported in this report

"Total N" refers to the total number of students who declared the indicated major at the beginning of Year 1.

"Retained BMCC %" refers to students that were retained at "BMCC" after one year in the 2nd fall term.

"Retained in Major %" refers to students that were retained at "BMCC" after one year and stayed in initial major in the 2nd fall term.

"Retained BMCC N" refers to First-time Freshmen that were retained at "BMCC", but the major reported is based on their second fall term major.

"Soph N" refers to number of retained students who have earned at least 30 college credits by the start of their second fall term.

"% Soph" refers to the percentage of retained students who achieved sophomore status in their second fall term.

Four students majored in Nursing in year 2 across cohort years, but nursing cohort definition is different from freshmen, so the second year nursing major is not reported here, and neither are Certificates .

"Transfer N" refers to BMCC graduates who transferred to "any" Baccalaureate Program within "24" months of the start of their graduation term. Prior ERC report is for transfers within "12" months.

Transfers are those who enrolled in a CUNY or non-CUNY baccalaureate program within two years of attaining a BMCC associate degree. Transfers outside of CUNY are limited to enrollment in four-year institutions, but may include a small number of students pursuing a second associate degree at a comprehensive institution.
