MEMORANDUM

To: Instructional Staff

From: Erwin Wong, Provost and Senior Vice President *EW*

Subject: Travel Policy

Date: September 2023

Faculty and staff are encouraged to attend professional meetings, scholarly seminars, and conferences in their discipline as part of on-going professional development.

Through standard PSC-CUNY funds, presenters and/or attendees will be reimbursed up to a maximum of \$1,000 for travel in academic year 2032-2024. Funds applied to one trip (up to \$1,000) or two trips (\$1000 total for both trips) per individual will be honored.

Please note that funding at this level is for the current academic/fiscal year only.

Reimbursement for expenditures incurred during authorized out-of-town travel must be submitted via a CUNYFirst Travel Expense Report. Supporting receipts and the conference program must be attached to the Expense Report.

Members of the instructional staff who request permission to travel must arrange with their chairperson or supervisor for adequate coverage of all classes or other assignments prior to travel. A mutual exchange of classes or other assignments with colleagues must be approved. The college will not pay for substitutes for travel purposes.

For more information including CUNYFirst access and training, as well as strategies for expediting the travel authorization and expense report approval processes, go to the Travel Authorization and Reimbursement page of the Office of Academic Affairs website at:
