

ARTICULATION AGREEMENT FORM

A. SENDING AND RECEIVING INSTITUTIONS

Sending College: Borough of Manhattan Community College (BMCC)

Department: Computer Information Systems

Program: Computer Network Technology

Degree: A.A.S.

Receiving College: CUNY School of Professional Studies (CUNY SPS)

Program: Applied Management and Entrepreneurship

Degree: B.P.S.

B. ADMISSION REQUIREMENTS FOR SENIOR COLLEGE PROGRAM

Graduates of the BMCC associate's degree program in Computer Network Technology will qualify for admission into the CUNY SPS Bachelor of Professional Studies degree in Applied Management and Entrepreneurship if they have maintained a minimum overall GPA of 2.5 and are in good standing at BMCC.

Applicants will follow the standard admissions process, which includes completing a transfer application and a personal essay that will help CUNY SPS understand the student's educational goals and readiness for baccalaureate study.

BMCC Computer Network Technology graduates will be awarded 60 transfer credits toward the bachelor's degree based on the Computer Network Technology curriculum effective fall 2023. Should that curriculum change, it will be necessary to reevaluate the transfer credit process. Upon matriculation into the B.P.S. program in Applied Management and Entrepreneurship, students will be required to fulfill general education, elective and major requirements specified on the following pages.

Total transfer credits granted toward the baccalaureate degree: 60

Total additional credits required at the senior college to complete baccalaureate degree: 60

Total credits required for the B.P.S. in Applied Management and Entrepreneurship: 120

C. Course Equivalences and / Transfer Credit Awarded

BMCC graduates who complete the A.A.S. in Computer Network Technology will receive 60 credits toward the B.P.S. in Applied Management and Entrepreneurship at CUNY SPS.

Transferred credits will be applied to the Baccalaureate degree as professional credits, course specific transfer credits and electives. Students will meet with an SPS advisor who will review their transcripts to ensure appropriate placement within the program. Taking recommended flexible core courses will assure that students need only 60 additional credits for their bachelor's degree at SPS.

G. ARTICULATION AGREEMENT FOLLOW UP PROCEDURES

1. Procedures for reviewing, updating, modifying or terminating agreement:

The Academic Director and Department Chair from both programs will review the agreement annually. They will be expected to review student retention, progress to graduation including transitions between prerequisite and follow-on courses, degree completion and GPA. Modification or termination of this agreement requires the approval of both Chief Academic Officers of both institutions.

Should the agreement be modified or terminated, CUNY SPS shall honor the terms granted to students who have already transferred into the B.P.S. in Applied Management and Entrepreneurship.

2. Procedures for evaluating agreement, i.e., tracking the number of students who transfer under the articulation agreement and their success:

The CUNY Institutional Research Database will be used to track all transfer students, including their performance (credit accumulation and GPA) and persistence (retention and graduation).

3. Sending and receiving college procedures for publicizing agreement, e.g., college catalogs, transfer advisers, Websites, etc.:

Both CUNY SPS and BMCC value this agreement and see it as a “win” for our students. Both schools will promote the agreement in their respective publications (i.e. annual bulletins, course catalogs, websites, program marketing materials, etc.). Transfer advisors at BMCC will promote this agreement with eligible students.

Effective Date: Spring 2024
