

THE BOROUGH OF MANHATTAN COMMUNITY COLLEGE OF THE CITY UNIVERSITY OF NEW YORK
ARTICULATION AGREEMENT FORM

Sending College: Borough of Manhattan Community College (BMCC)

Department: Nursing
Program: Nursing
Degree: Associate of Science (A.A.S.)

Receiving College: CUNY School of Professional Studies (SPS)

Department: Nursing
Program: Nursing
Degree: B.S.N.

ADMISSION REQUIREMENTS FOR SENIOR COLLEGE PROGRAM

Graduates of the A.A.S. in Nursing degree from Borough of Manhattan Community College (BMCC) will qualify for admission into the SPS Bachelor of Science degree in Nursing if they have met the following criteria:

- Graduated with an overall GPA of 3.0 or higher on a 4.0 scale;
- Current licensure in New York State as a Registered Professional Nurse, or eligibility to sit for the National Council Licensure Examination - RN (NCLEX-RN) - in New York State;
- Students who do not currently hold an RN license may apply to the program in the last semester of their pre-licensure program in anticipation of licensure. Unlicensed students who meet the eligibility criteria may be admitted conditionally on a case-by-case basis and will be required to obtain their RN license before beginning their second term in the program.
- Students can transfer in a maximum of 90 credits to CUNY SPS.
- There is a 30-credit residency requirement for the B.S. in Nursing at CUNY SPS.
- Courses that are completed at the Borough of Manhattan Community College that are deemed equivalent to B.S. in Nursing required courses will be transferrable provided that the student has received a minimum grade of “C+” or better.

Applicants will follow the standard admissions process, which includes completing a transfer application, a statement of interest in the Nursing program, and—at the academic director’s discretion—a personal interview.

BMCC graduates will be awarded 65 transfer credits toward the bachelor’s degree based on the current (2022-2023) Nursing curriculum. Should that curriculum change, it will be necessary to reevaluate the transfer agreement. Courses in math and English require a grade of C or better for transfer in accordance with current University policy. In addition, all courses in the major require a grade of C or better for transfer. Upon matriculation into the B.S. program in Nursing, students will be required to complete the CUNY SPS New Student Orientation Program and must fulfill general education, major and elective requirements specified on the following pages.

Total transfer credits granted toward the baccalaureate degree: 65

Total additional credits required at the senior college to complete baccalaureate degree: 55

Total credits required for the B.S. degree in Nursing: 120

ARTICULATION AGREEMENT FOLLOW-UP PROCEDURES

Procedures for evaluating the agreement, e.g., tracking the number of students who transfer under the articulation agreement and their success:

- The Academic Director and Chief Academic Officer from both programs will meet annually to review the articulation agreement. They will be expected to review student retention, progress to graduation, including transitions between prerequisite and follow-on courses, degree completion, and GPA. Modification or termination of this agreement requires the approval of the Chief Academic Officers of both institutions.
- Should the agreement be modified or terminated, the School of Professional Studies shall honor the terms granted to students who have already transferred into the B.S. in Nursing for a period of four years or graduation, whichever comes first.
- The School of Professional Studies Registrar and the Information Systems Academic Director shall produce reports of the metrics identified above as well as those suggested in the University's Annual Performance Management Program, which will be circulated to the following groups:
 - **At SPS:** Dean, Associate Dean for Academic Affairs, Nursing Consortial Faculty, Associate Dean for Administration and Finance, Director of Student Services, Director of Career Services, Director of Admissions and Advisement, and Academic Director of Nursing.
 - **At BMCC:** Chief Academic Officer, Academic Director, Director of Student Services, Director of Career Services, Director of Advisement, Director of Admission, and Chairperson of Nursing.

Sending and receiving college procedures for publicizing agreement, e.g., college catalogs, transfer advisors, Websites

The School of Professional Studies and the Borough of Manhattan Community College will publicize this opportunity for students in print and web-based materials and in marketing information. Additionally, both institutions will provide information to their own recruitment staff members as well as staff at the University Office of Admission Services.
