CIS Advisement

Each eligible professor will receive a list of students provided by the Academic Advisement Center to advise. The professors will email the students on their lists asking which mode of advisement they prefer – In Person, Zoom, email or phone call. Students will need to check their BMCC emails for the advisement information from the professor. Students can email the CIS Secretary Kim Joyce (kjoyce@bmcc.cuny.edu) to find out the professor who will be advising them. The CIS department will accept “Walk-In” advisement according to the schedule above (must stop at secretary’s desk)
