College Now Fall 2025 9/9/25 – 1/9/26			
Courses	Credit	Day(s)/Time	Academic Eligibility Requirements
<b>CRT 100.6 – Critical Thinking for ESL 95</b>  This class is designed to develop the mind and help sharpen students' ability to think clearly, logically, thoroughly, critically, and effectively. Through substantive readings, structured writing assignments and ongoing discussions, students will learn to use analytical skills in reading, writing, oral presentations, researching, and listening. Students will examine concrete examples from their own experience and readings and contemporary issues in the media to learn how to analyze issues, solve problems, and make informed decisions in their academic, professional, and personal lives. This is an intensive writing class for ESL students, which focuses on basic components of effective writing, including essay organization, paragraph development, sentence structure, word choice, and content.	<b>3</b>	<b>Saturdays</b> <b>9 a.m.-1:45 p.m.</b>  <b>Location: CUNY In The Heights</b>	<b>75 in ELA coursework</b>

<b>SPE 100 – Fundamentals of Public Speaking</b>  The aim of this course is to develop effective skills in speech communication. The student examines how to generate topics and organized ideas, master elements of audience psychology and practices techniques of speech presentation in a public forum. All elements of speech production and presentation are considered.	3	<b>Saturdays 8:30 a.m.-11:26 a.m.</b>  <b>Location: In-Person @ BMCC Campus</b>	<b>75 in ELA coursework</b>
<b>SOC 100 - Introduction to Sociology</b>  This course studies the social world and how it has evolved over time, as well as how individuals are influenced and structured by social interactions in small groups and by larger social forces. The course covers major sociological theories and research methods, and key concepts such as culture, socialization, social class, race/ethnicity, gender, technology, social inequality, and social change.	3	<b>Saturdays 8:30 a.m.-11:26 a.m.</b>  <b>Location: In-Person @ BMCC Campus</b>	<b>75 in ELA coursework</b>
<b>PSY 100 – General Psychology</b>  The course introduces students to the scientific study of behavior and mental processes. Students will learn about current perspectives, historical roots and scientific methods in psychology. Topics within major areas of psychology may include biopsychology, human development, learning, cognition, social processes, personality and psychological disorders.	3	<b>Saturdays 8:30 a.m.-11:26 am.</b>  <b>Location: In-Person @ BMCC Campus</b>	<b>75 in ELA coursework</b>  <b>Eligibility: 11<sup>th</sup> &amp; 12<sup>th</sup> Graders only</b>
<b>CRJ 101 – Introduction to Criminal Justice</b>  Criminal Justice is the field that studies formal social control. This course covers the	3	<b>Saturdays 8:30 a.m.-11:26 a.m.</b>  <b>Location: In-Person @ BMCC Campus</b>	<b>75 in ELA coursework</b>

processing of crime by agents of formal control (police, courts, and institutional corrections). The general focus is on understanding the complex interactions of structures and agents in the system. Of particular concern are discretion and diversity in law enforcement, due process in criminal courts, and the punishment-rehabilitation dichotomy in corrections.			
<b>BUS 104 – Introduction to Business</b>  This course surveys business and industry in the United States with global growth strategy. Emphasis is placed on building Communication and Quantitative skills, including Excel spreadsheets, and an Ethical Foundation. The course introduces students to concepts in Management, Organizational Structure, Human Resources, Marketing, International Business, Finance, Computer Information Systems, Accounting, and Economics, and encourages students to explore career paths.	<b>3</b>	<b>Saturdays</b> <b>9 a.m.-12:56 p.m.</b>  <b>Location: In- Person @</b> <b>BMCC Campus</b>	<b>75 in Math Coursework</b>
