BMCC's Modern Languages Department Certificate provides students interested in developing intermediate to advanced language performance with the opportunity to certify the completion of 9 credits in the target language.

Students who would like to add this language certificate to their degree, should submit the [application form](#) after having completed all 9 credits.

A grade of B (or above) is required for courses to count toward the certificate

The last 3 credits toward the certificate must be completed in-person or in a synchronous modality

Study abroad courses may be used toward the certificate with departmental approval

A maximum number of 3 test-credits or transfer credits can be applied toward the certificate

Certificates cannot be combined with a major in the same language
