¹ ENG 100.5 is a combination of Intensive Writing and English Composition. Students must be exempt reading (ACR) in order to take this course. Once this course is passed, students will be able to move on to ENG 201.

² MAT 161.5 is a combination of Elementary Algebra and Quantitative Reasoning. MAT 161.5 will satisfy the Mathematical & Quantitative Requirement.

³ Please consult with an academic or faculty advisor.

⁴ SPE 102 is an option for non-native speakers of English.

⁵ Students are required to complete two semesters of the same Modern Foreign Language in order to graduate, one of which can be satisfied in the World Cultures and Global Issues requirement.

⁶ A total of 9 to 16 credits is required. Electives are determined by the number of STEM variants in the Common Core, the Health Education requirement and the Modern Language requirement. NOTE: A maximum of 6 elective credits may be taken in career department.

⁷ Select any 300-level English course.

⁸ Choose 2 courses from Anthropology, Economics, Geography, History, Philosophy, Political Science, Psychology or Sociology. Two different disciplines must be taken and cannot be from the same disciplines as satisfied in the Common Core.

⁹ Select any Creative Expression Pathways course except SPE 100 or SPE 102.

¹⁰ Select any HED course, preferably a 3-credit course.

¹¹ A Writing Intensive course is needed to graduate.
