Meeting Notes

The Committee was joined by officials from the college's Registrar's Office and Admissions Office. The purpose of the visit was to discuss Dean Wong's charge to facilitate a comprehensive college plan to award credit for life experience. The challenges and opportunities to develop a plan were discussed.

The committee discussed the results of its Technology Survey in addition to technological problems affecting instruction that may in part be taken up by the committee.

The committee discussed proposed amendments to the Resolution to Implement Credit for Life Experience.

The committee discussed plans for spring 2012 IC agenda.
