Step 3: Click on the DegreeWorks link, if you are not automatically logged into the system.

- Students will be taken to their own customized audit.
- Advisors and Staff will need to enter the student's EMPLID/CUNYfirst ID Number and hit ENTER on the keyboard to pull the student's degree audit.

Note: If you receive an error message after entering your username and password, don't close your browser and go to the following website: <u>https://degreeworks.cuny.edu/Dashboard_bm</u>

Worksheet Tab

This tab displays the student's degree progress based on the studer major on file. This also displays the student's remedial placement a academic notes.

What-If Audit

The What-If audit allows you to see degree progress in other major using your course history. You can use this tab if you are thinking (changing your major and would like to know where you stand in th new major.

Planner Tab

The Planner contains a grid organized by academic term. Advisors plan student's future course offering for as many as eight semester advance. Students can only view planners, not create them.

Notes Tab

Often advisors want to make a permanent note of what was discuss and what needs to be done next. They may also want to see what w discussed with the student by a previous advisor. The Notes feature can be used for this.

GPA Calculator Tab

There are three different GPA calculators: Graduation, Term, and Advice. The calculators, in conjunction with the other features, can help students set realistic goals, provide a precise calculation of enterm GPA using students' actual academic information, and give guidance on how students can achieve honors, avoid probation, or reach personal academic aspirations. Please note, these calculators not factor in the repeat policy. To calculate repeated courses, use t. GPA calculator found on the Academic Advisement & Transfer Cen website at http://bit.ly/2C4E0Q0.

Look Ahead Tab

Students can use this tab to see how a future course may be applied their audit.
