HS 410 – Healthcare Org. and Delivery	3
HS 430 – Research in Health Prof.	3
HS 460 – Ethical and Legal Aspects of HC	3
HS 471 – Health Program Planning	3
HS 490 – Practicum	3
<i>Total Major Requirements</i>	24
<i>Additional Credits Needed to Earn Baccalaureate Degree</i>	34
Total Credits transferred from BMCC	
	62
Total Credits to be Completed at LIU Brooklyn	
	58
Total Credits Required for B.S. in Health Science	
	120 ⁶

⁶ To graduate with a Bachelor of Science degree, students must complete a minimum of 120 credits with a grade point average of at least 2.00 in all their academic work and at least a 2.00 in their major field(s), and have met all other graduation requirements. Of the 120 credits required for graduation, at least 48 must be in courses numbered over 100. The candidates for the Bachelor of Science degree must complete at least 60 credits in the liberal arts and sciences.

E. ARTICULATION AGREEMENT FOLLOW-UP PROCEDURES

1. *Procedures for reviewing, updating, modifying or terminating agreement:*
When either of the degree programs involved in this agreement undergoes a change, the agreement will be reviewed and revised accordingly by each institution.

2. *Procedures for evaluating agreement, i.e., tracking the number of students who transfer under the articulation agreement and their success:*
Each semester LIU Brooklyn will provide BMCC with the following information: a) the number of BMCC students who applied to the program; b) the number of BMCC students who were accepted into the program; c) the number of BMCC students who enrolled; and d) the aggregate GPA of these enrolled students.

Each semester, BMCC will provide LIU with a list of names and email addresses of students eligible to graduate from the BMCC program indicated in this agreement. LIU agrees to use this list *only once* to electronically contact eligible students.

3. *Sending and receiving college procedures for publicizing agreement, e.g., college catalogs, transfer advisors, Websites, etc.:*

This articulation agreement will be publicized on the BMCC website and the LIU Brooklyn website. Transfer advisors at BMCC will promote this agreement with eligible students.

BMCC will invite LIU to participate in one recruitment event per year at the BMCC campus, and will promote the event to eligible students. LIU will invite BMCC to participate in one recruitment event per year at the LIU campus specifically focused on BMCC students.

F. Additional Information (e.g., financial aid, transfer scholarships)

Scholarships

BMCC transfer students, upon completion of the requirements of an A.S. in Science for Health Professionals with a GPA of 3.0 or higher, will be considered for all Transfer Scholarships and Merit Awards available (i.e., Presidential Honors Scholarship, Honors Scholarship, Merit Scholarship, Recognition Scholarship, etc.). Scholarships are based on GPA earned at the time of admission. Merit-based scholarships are subject to change and exact amounts may vary from semester to semester. All scholarships are awarded on a funds-available basis.

Entering students from BMCC covered by this agreement shall enjoy all other financial aid benefits and considerations where applicable in conformance of current guidelines and regulations in effect at LIU Brooklyn.

Effective: Spring 2018

APPENDIX A

The following courses have been approved by the School of Health Professions for transfer credit from the AS degree in Community Health Education from BMCC towards the BS in Health Science at LIU Brooklyn. Transfer credit will be accepted for grades of C or better. Grades of C- will be reviewed on a case-by-case basis and a determination will be made as to whether to accept the credit.
