

## **Technology Committee of the College Council November 2, 2017 Minutes**

November 2, 2016, 2:30PM  
Room S140B

### Present:

Vice-President Joseph Spadaro, Information Technology (Chair)  
Professor Yan Chen, Computer Information Systems  
Mr. John Gallagher, Information Technology  
Senator Ousmane Mbodj, Student Government  
Professor Kanu A. Nagra, Library,  
Dean Christopher Shults, Institutional Effectiveness and Analytics,

The meeting was rescheduled to start at 2:30PM instead of 2PM.

### Strategic Framework

The Strategic Framework Matrix for IT was presented by V.P. Spadaro and discussed by the group. Dean Shults suggested adding a new section to the grid for objectives.

### Co-curricular Transcript

The college is in the development of a next generation co-curricular transcript to support the documentation of student activities and extracurricular work.

### Wireless Projection

Airserver, a system to allow for the connection of tablet and smartphone computing devices to the classroom projection devices wirelessly will be fully rolled out by January 2017. The division will work with CETLS on training and provide documentation.

### CUNYfirst and DegreeWorks

Concerns with the interoperability and the matter of multiple credentials needed to access CUNYfirst and Degreeworks were raised. This is a CUNY wide issue that the University is working on but there is as of yet no timetable.

Respectfully submitted:

John Gallagher
