

Technology Committee

Minutes from the December 2, 2015 meeting

Present: Mr Louis Chan Mr Kasson Colon-Mangin, Prof Aldolfina Koroch, Mr Thomas Lew,
Ms Liany Marcial, Prof Joyce Moorman, VP Joseph Spadaro

Absent:

The meeting was called to order at 1:00pm in S599.

Minutes from the 11/4 were updated and approved.

VP Spadaro reported that the results of the app load test are expected this week.

Prof Koroch has tested the app with her class and indicated that the app worked well and was well received. She indicated that the chat rooms for the different platforms ios vs android did not talk to each other.

Interactive wayfinding systems are under review with requirements that include screen replication on smart phones and beacon software to provide directions. Vertical height adjustment for the screen would provide accessibility for individuals with wheelchairs.

The next meeting of the committee is scheduled for 2/3/16.

Respectfully submitted,

Thomas Lew
