

Technology Committee

Minutes from the February 3, 2015 meeting

Present: Mr Kasson Colon-Mangin, Prof Aldolfina Koroch, Mr Thomas Lew,
Ms Liany Marcial, Prof Joyce Moorman, VP Joseph Spadaro

Absent: Mr Louis Chan

The meeting was called to order at 2:00pm in N699.

VP Spadaro reported that the mobile app icon had to be redesigned as Apple felt that it closely resembled their icon shape. The google version is ready for release through the Google Play Store. Both versions will be released simultaneously.

CUNY is planning to release their version of an app which will handle CUNYFirst and registration functions. VP Spadaro wants to discuss common goals for apps with CUNY central.

All computer lab printers have been replaced during the winter break with Dell D5460N duplexing printers.

Extron panels will be installed at Murray Street with new projectors.

The assistance phone number will be changed from x8122 to a new number.

The next meeting of the committee is scheduled for 3/9/16.

Respectfully submitted,

Thomas Lew
