

Technology Committee

Minutes from the May 11, 2016 meeting

Present: Mr Louis Chan, Shannon Kidd, Prof Aldolfina Koroch,
Mr Thomas Lew, Ms Liany Marcial, VP Joseph Spadaro

Absent: Mr Kasson Colon-Mangin, Prof Joyce Moorman, Mr Bryant Vilora

Minutes for the 4/6/16 meeting were updated and approved.

VP Spadaro updated the committee with the following information:

1. Murray Street: instructional spaces were upgrade with Extron control panels and NEC projectors.
2. Chambers Street: 7th floor south and 4 north rooms were upgraded with NEC projectors.
3. Wireless connection to projectors will be made available over the summer.
Instructions and guides will be made available. Training sessions will be considered.
4. Digital signage: project is underway with completion expected during the summer.
5. App for wayfinding is under development to continue into the next academic year.
Third floor south is the test area with beacons installed in the ceiling.

learning numbers:

Online: 124 = 3%

Hybrid: 85 = 2.5%
